COMPETITION WANTED.

Nova Scotians Want Dominion Express Service Extended—May Mean New Offices Here.

A vigorous effort is being made in Nova Scotia and Prince Edward Island to secure the extension of the service of the Dominion Express Co. to all passenger trains all over the I. C. R.

The board of trade at Halifax on Friday passed a strong resolution favoring the scheme. Similar resolutions have been passed by the board of trade of Annapolis, Pictou and Summerside, while the Sydney people are strongly in favor of the scheme.

It is understood that if the Dominion get the privilege asked for it would open a divisional office here, and in the case of E. N. Abbott, the present agent, would probably be appointed superintendent. The company's facilities in Halifax would be to greatly enlarge.

The Halifax Herald and Chronicle are out strongly in favor of the scheme.

PERSONALS.

W. E. Dunn, accompanied by his daughter, Miss Mabelle, returned home Saturday after a short trip to Boston.

Mr. and Mrs. F. B. Ellis came home from Boston Saturday. They were the guests of Miss Edna Bates, of Fredericton.

DELAYED BY FOG.

Donaldson Liner Concordia Will Wait For Fair Weather.

The Donaldson liner, Concordia, Capt. Martin, was ready to sail for Glasgow via Liverpool yesterday morning, but the weather was regarded as unfit. It was again thought of sending her to sea last night, but it continued too thick. Her cargo consists of 14,000 standard of wheat, 2,000 of barley, 250 standard of deals, 100 tons of flour, 200 boxes of meats, 100 tonnes of lard, 50 barrels of apples, 450 cattle and 100 tons of hay.

The steamer will be held till the weather is clear. A despatch from the Liverpool office says that the fog there is very thick.

The C. P. R. steamer Lake Erie is still at the island and will remain there till the weather clears.

If possible an effort will be made to get the British passengers away on the Montreal express tonight. She has one hundred and eleven steerage passengers and about only thirty are for the United States points, most of the others are for western Ontario.

MINISTERS' MEETINGS.

The Baptist ministers met as usual this morning. There were present Rev. D. Long, C. Burnett, W. E. McIntyre, B. N. Nobles, A. B. Coburn and P. J. Stachurski. The usual reports from the churches were read. For the most part the congregations were small yesterday as a result of disagreeable weather.

The Methodist ministers met at the usual time and place. Dr. Wilson presiding. There were present Revs. Dr. Sprague, W. C. Matthews, S. Howard, C. W. Hamilton, H. Penna, Dr. Wilson, W. J. Kirby, G. Combes, J. A. Clarke and Dr. Borden from Mt. Allison.

The reports of churches were for three Sundays. On Easter Sunday there were receptions of members in Queen Square, Carleton and Zion churches; one adult was baptized in Queen Square, one in Carleton and two in Zion. The services were all well attended both Easter Sunday and yesterday.

Matters of a general character regarding the coming district meeting were discussed, after which Rev. Dr. Borden, of Mount Allison Ladies' College, gave a very interesting address on the various departments of the institution at Sackville. He stated that the roll of students numbered 133, with 133 in the building. The prospects for the future are very bright, and the outlook hopeful.

MADAME NORDICA TONIGHT.

The much anticipated Nordic concert this evening will be one of the events for the people of St. John to remember for a generation to come and those who miss the opportunity will have a long time to regret it.

A few seats remain to be disposed of to those who apply tonight, and to the accommodation for many hundreds standing is found in the spacious Opera House, on the three floors. For such a magnificent event as this the stage seats present advantages not possessed by any other portion of the building, and those can be procured at the door to be in their seats not later than 8:10, or they will probably miss the first portion of the programme, as none will be permitted to enter the Opera House while Madame Nordica is singing.

POSSIBLE ALDERMEN

Several Nominations Already in and More to Come—Tomorrow is Nomination Day.

A copy of the changes made in the Franchise Act which passed the local house on Friday has been received at the City Hall. The act says all ratepayers may vote provided their taxes have been paid up to within two years of seven days before the election.

Tomorrow is nomination day and this morning everything was hustle and bustle around City Hall, with little groups of aldermen here and there. The present aldermen are: Allan, Hilyard, Bullock, Baxter, Christie, Hamm, Lewis, Maxwell, Millidge, Macrae, McGoldrick, McMillin, Robinson and Taylor. Mr. Taylor's death having left the gap.

Among those who will have opportunity as far as could be ascertained today are the aldermen-at-large, Messrs. Allan and Hilyard. They will be opposed by Dr. J. H. Frink and Thos. Carleton. In Fringe ward Ald. Maxwell will be opposed by James Sproul; in Dufferin ward Ald. Millidge will be opposed by Mr. Dailley; in Wellington ward Ald. Macrae will be opposed by Thos. Kichham and in Lorne ward I. W. Holder will run against Ald. McMillin.

W. S. Barker, a new man, has as yet no opposition in Dukes. There was a report about his morning that Dr. D. E. Berryman was to run for Queens ward in opposition to Ald. Bullock, but this report the doctor flatly denies.

Another possible candidate is J. King Kelley. Asked by the Star this morning if the report was true that he was going to run Mr. Kelley replied that he did not know. His attention was called to the fact that tomorrow is nomination day but still he insisted that he did not know as yet.

POLICE COURT.

One Eighty-seven-Year-Old Drunk On the Bench Today.

Six drunks and a colored man charged with indecent conduct on the public streets were up before Hon. Magistrate Ritchie this morning. The court is still being held in the guard room, as the painters have not finished their work in the police court chamber.

The drunks all pleaded guilty and all were fined eight dollars. The justice was twenty days with two exceptions, when it was made two months.

Richard O'Connor is down as being eighty-seven years of age and Joseph Pike says he never was drunk before. As his offence was charged on Saturday and Sheriff Ross informed the court that he used profane and obscene language he was honored with two months. Billy Jordan was paid.

The colored ornament on the improvised bench, Archibald John Randolph pleaded not guilty but his word did not go against the officer's oath. He was soaked for eight dollars or twenty days with hard labor.

CHALLENGE ACCEPTED.

Littlejohn's Den Taken Up by Bev. McLeod.

Dan Littlejohn, welter weight champion of New Brunswick, published a challenge in this morning's papers to Bev. Shelton, of Quebec, who only drew with him about the 24th of May or the first week in June at from 12 to 15 pounds.

McLeod called at the Star office today and accepted the challenge. He is anxious to meet Littlejohn at 142 pounds and requests the Lower Cove pugilist to meet him at J. Quinn's, tomorrow evening to arrange dates and terms.
