THE LOVE STORY OF JOHN BURNS

How His Clever Wife Waited and Then Helped Him to Succeed.

Congratulations to our labor cabinet minister and the gentle lady who is his wife. They have just celebrated their silver wedding.

ing she went about her homely household duties as usual, answering the incessant rat-tat of the telegraph boys who brought the congratulations of the great, dusting the books that are the pride and joy of her husband's life, and preparing the mid-day meal for John Burns, junior, when he came in hungry from school.

It was on a Sunday afternoon, more than a quarter of a century ago, that John Burns found himself addressing an open-air meeting on Clapham Common. Young as he was, the fiery eloquence, the power to hold the attention of a crowd, and for some reason arrested the speaker. Not till the future president of the Local Government Board found himself in the grip of the constabulary did he notice that among his auditors had been Charlotte Gale, the girl who as a child had so attracted him. Sympathy mingled with indignation at the treatment he had received from the eyes that met his. No words passed, but after a night's sleep the child of Batterssea was no longer a stranger.

There came a day when the one-time idol of Batterssea had to face a great meeting of Batterssea men, who for the first time withheld the ready cheer and applause which always greeted him. The first time John Burns spoke after he became a Cabinet Minister he had to face a half hostile sea of faces. Suddenly there was a burst of spontaneous cheering, a roar of applause that could not be stemmed, and, turning round to discover the cause, John Burns saw that his wife, leading their son by the hand, a splendid specimen of sturdy English boyhood, had slipped on to the platform by his side.

A GERMAN DREAM OF WORLDWIDE EMPIRE Professor Martin's Latest Bellicose Prophecy Issued in Book Form.

comes, she will strike a decisive blow at her rivals. Professor Martin says that France will be the victim of German anger, and the German army will inflict a crushing defeat on the French forces and take possession of the greater part of France.
