RL IN GRIEF SUICIDES OFF

FERRY BOAT ON THE MARRIAGE DAY.

Romance usually ceases, and his corns, and sore corns begin to be when "ferrymen" is applied. It takes out corns, roots, branches, leaves, no trace of a single corn left. Put Palmer's Painless Corn Extract in, do the work, see at all doctors. A cure a lifetime.

HAVING POOR LUCK
One of the local fishermen yesterday said that during the past season so far has been a poor one. He said he was running to the north to catch the steelhead, but he had not been so fortunate. He said he had only thirty-six fish, and that was a poor catch. He said he had not been so fortunate in the past season. He said he had not been so fortunate in the past season. He said he had not been so fortunate in the past season.

to Margaret, put her arms around him and pushed her away. She then to cry.

"I don't love you," she sobbed. "I know you don't."

But, before Cassidy could stop her, she to the rail and jumped into the water.

The other men, "Man overboard!" the engines were reversed. The tug was thrown over, but the body was not recovered.

With Cassidy has disappeared, no one had seen him jump, but appeared to be the natural thing to do. Even the boat that Cassidy tried to board with two passengers were reported overboard.

At 2 o'clock a frightened young man, who was the West Virginia, police station and gave himself as was Cassidy.

When his sweetheart jumped off the boat no action was taken until he saw and hid on the stern

Tired in the Mornings

"How do you sleep?"
 "Not very well. Lots of nights I lie awake for hours, restless and nagging, thinking about everything, but not resting or sleeping."

"Have you consulted a doctor?"
 "Yes. The doctor says I am anemic; the blood is

"Well, that is exactly what Dr. Chase's Nerve Food does. It is only by enriching the blood that you can restore exhausted nerves."

"Perhaps I should try it."
 "I certainly would if I were you, for I know it is wonderful the way it helps some people who are anemic."

"Why don't you try Dr. Chase's Nerve Food?"

"I don't know just why, because I thought it was only for the nerves, whereas what I need is something to enrich the blood."

"And generally run down in health?"

"I am sure you will not be disappointed, and if I were you I would not lose a day before getting started with this treatment."
