M. Ribot (R.) replied to M. Hubbard. M. Knot (K.) replied to M. Indonati, protesting against his report, which he lescribed as shameful, whereupon M. Ber-eux (Socialist) exclaimed that M. Ribot leserved to have his ears boxed. At this deserved to have his ears boxed. At this the Centrists vehemiently protested, while the Socialists cheered. Amid the din M. Deschanel, president of the cham-ber, called upon M. Berteaux to withdraw. This M. Berteaux refused to do and re-newed outcries and banging of desks re-sulted. M. Deschanel continued to ring his bell until the hubbub subdued, when he asked the chamber to censure M. Ber-teaux. This was voted. M. Ribot then resumed his reply to M. Hubbard's report but the Socialists re-commenced their noisy opposition, to which the Centrists responded equally loudly, until the up-

responded equally loudly, until the up-roar became so deafening that M. Des-chanel, after vainly clanging his bell and calling for order, left the chair and the

session was suspended. Subsequently the session was resumed and M. Ribot concluded his speech. The chamber then adjourned.

Daniel Mackenzie Loses His Life Attempting to Board His Train.

London, Nov. 19-Except as affording a chance for the opposition journals to attack the government and the foreign secretary, Lord Lansdowne, the signing of the new isthmus canal convention does not excite strong interest in Great Britain . It is generally admitted that the British have nothing to gain by a reten-tion of the Clayton-Bulwer treaty, while they have much to gain by the construc-tion of the canal. Halifax, Nov. 18.—(Special)—Daniel MacKenzie, of Pictou, an I. C. R. con-ductor, was instantly killed at West River oday. His train was moving away from tion of the canal. The Morning Post congratulates both the station and, in attempting to get on board, he slipped and fell under the van suntries and says it is glad that the mvention of 1900 has been revised in ac-

which passed over him. Steamer Newfoundland, which arrive ordance with American wishes. The Daily Mail fears that the signing nay not terminate forever a troublesom ceive some equivalent for the co which probably have been made. ing of his death, was finished today. The mask is the property of the federal gov-ernment. Next week it will be taken to merly in command of Canadian troops, and recently in charge of a brigade in South Africa, has accepted the post of washington where, for a time, it will be shown to the public at the Smithsonian the government allowing him to select his

DAYS ENTOMEMENT,

Just Living When Found in the Baby Mine -- Story of the Disaster.

Pocabontas, Va., Nov. 18-This morning, at the Baby Mine, the body of Fritz Moulter was found in a room on the west side He was living, but an hour more, no doubt, would have brought death. For six hours physicians worked with him before he was restored to consciousness. He is likely to

recover. Moulter says that all within the mine on Thusday night commented on the heaviness of the atmosphere and that a number left work before he did. He found that danger full state ceremony. It is now understood, however, that financial needs will compel an opening a was imminent and with several others start-ed to run from the drift. A heavy report, which shook the mountain, was heard and an instant later a huge cloud of amoke and flame was seen coming. He lost sight of his companions, but he turned into a side room as quickly as possible and was shut off by falling slate. Probably, two days elapsed before he succumbed to the foul ar. nt and with sev

Ottawa, Nov. 18.—(Special)—A male in-fant, supposed to be a few weeks old, was found in the Capuchin monastry, Hintonburgh, Saturday. Rev. Father Albert, who found the child, says it must have been abandoned no more than 15 minutes before. WEST DIRECT BY WATER

Experimental Voyage--Cargo of Oats from Kingston.

Quebec, Nov. 18-(Special)-The first grain carrying vessel to enter this port direct from the west discharged cargo at the Great Northern railway elevator today with re-markable facility. The vessel was the barge Ahele, direct from Kingston, with 22,000 bushels of cats to Arthur Carrier. The Cargo, which was brough here as an ex-periment, was unloaded within five hours.

Hospital Overrun With Rats.

Paris, Nov. 16-A harrowing tale is told by a patient who fied from the Cochin Hos-pital. Although in an advanced state of com-sumption and quite destitute, she was forced

sumption and quite destatute, she was forced to quit the institution. She says the hospital is infested with thou-sands, of rats, which gallop about the wards night and day, jump on the chairs, beds and tables, devour the patients' food, and even bite those helplees patients who are plunged in a state of torpor. A similar state of affairs, it is said, pre-vails in the temporary hospital at Auber-villiers.

Madrid, Nov. 18.—Conflicts promoted by peasants have occurred at Rosales and Hiniastra, province of Zamora. Two per-sons have been killed and eight wounded.
