W. & G. RENDELL,

AGENTS, ST. JOHN'S, NEWFOUNDLAND,

Be leave to recommend the protection afforded by this Institution against the destructive ravages of Fire, which in a few moments may lay waste the fruits of a whole life of industry.

The Phoenix has been a most successful office, and stands unrivalled for stability, liberality, and usefulness.

The security offered to the public by the Phoenix Office is unlimited, comprising, in addition to the large invested capital of the Company, the whole fortunes of a numerous Proprietary, composed of some of the most opulent Gentlemen and Merchants in the United Kingdom.

The liberality and promptitude with which all Losses, (to the extent of upwards of *Seven Millions* Sterling,) have been adjusted and paid by the Phoenix Fire Office, has been manifested to the public by the experience of more than Seventy-five years.

Annual and short time Insurance are effected upon almost every description of Property in Newfoundland, on the most favourable conditions.

Rates and particulars of Insurance may be had on application to the Agents as above, and any orders or communications addressed to them, will be punctually attended to.
