## Men's Clothing

That has character is the kind we sell. Garments that set you up and give you that well dressed feeling.

Overcoats that have a style distinction all their own, in all the new models.

Suits that fairly bristle with style and pep in form fitting, waist line and more conservative models.

You can rest assured that you are getting what's right both as to style and

price when you buy T. & D. Clothes. There is no scarcity of clothing here. Step into our clothing department and see the rows of racks and tables just loaded with suits and overcoats for men who want to be well dressed.

Suits and Overcoats \$20.00 and up.

Where would he buy it himself? At a Men's Store, of course; and seven times out of ten at this store. Why? Because he is sure of getting what is correct here. And then, remember that he can change it after Christmas should you not get the correct size or should he get a duplicate.

A man's store is the store for his gift and no mistake. Here are a few hints.

house of Pleasure  
and Enjoyment for the Whole Family

WHEN, after the first expression of delightful surprise that marks the family's appreciation of your Christmas remembrance, you gather around your NEW EDISON, and the whole world of music and inspiration and pleasure opens up before you—then, yes; ah! then your thoughtfulness to-day will know its full reward.

Music—good music—means as much to young minds and old, to forming character and maturer growth, as the influence of the finest books, or the refining touch of the sacred emotions.

To deprive your family or yourself of the world's best music this Christmas means a loss of happiness that cannot be made up with gifts of fleeting pleasure.

### A FEW BREVITIES

#### "IRON MAN" OF BASEBALL ENGAGED TO CATCH TIGER PITCHERS.

Detroit, Dec. 10.—Jack Coombs, star pitcher for Connie Mack's Athletics for seven years, and last season manager of the Philadelphia Nationals, will wear the uniform of the Detroit Tigers in 1920. He was signed by President Navin of the Detroit Club this afternoon in New York. Coombs will be used to coach the hurlers upon whom Hugh Jennings will depend next year. He will replace Dan Howley, who, while a tireless worker, failed to deliver, and was dropped at the close of last season.

Jack will be given absolute charge of the Tiger pitchers, Navin believing he can work an improvement in the department when no one else appears able to do so. If Coombs can impart half the knowledge and skill he possesses to Detroit, the locals should be more of a factor in next year's pennant race than they have been in a long time.

When "Bill" Donovan heard of the Coombs deal he was pessimistic; that is, pessimistic for Donovan.

"It's just like throwing money away," he said. "If Jennings couldn't win with those four pitchers he had last year, he can't ever win with Boland, Ernie, Daus and Leonard. What a staff!"

#### PRESIDENT DE GRUCHY IS AGAIN UNOPPOSED

The annual meeting of the Ontario Football Union takes place on Saturday afternoon, Dec. 13, at Toronto Y. M.C.A., for the election of officers, discussion on proposed amendments, and the reading of the annual reports. One of the amendments is to the effect that the annual meeting be changed to the first week in September, while there is a notice of motion placed on the books at the semi-annual meeting that the annual meeting be held the second Thursday in September, at night. The nominations and amendments received are:

Hon. President, Dr. Fairbanks, Peterborough; President, John DeGruchy, Toronto; 1st Vice-President, W. Howell, Hamilton; 2nd Vice-President, J. Newton, Sarnia; 3rd Vice-President, Father McCorkill, Toronto; Sec.-Treasur-

### PARALYTIC NEURITIS

#### CANADIAN SOLDIER REGAINS THE USE OF HIS LEFT ARM THROUGH USING T. R. C.'S.

"I would advise all persons suffering from Neuritis or Rheumatism to try T.R.C.'s," writes Pte. Rawley of Beaverton, Ontario. Quoting from his letter:—

"In August, 1916, after suffering some considerable time from the loss of the use of my left arm, I determined to come to Toronto and see a specialist, as our local doctors had done me no good. One said I was suffering from paralysis and must take a long rest; another started giving me electric treatment and ice applications; but all efforts failed and I got worse instead of better, so I came to Toronto.

"While walking down King Street I chanced to see the testimonials in your window and on reading them became convinced that you were doing for others exactly what I needed for myself. I determined to try T.R.C.'s and purchased six boxes of capsules. I am prepared to state that long before I used up the medicine I was completely cured." Ask your druggist for a box. Mailed anywhere for \$1.04. (Templetons Ltd., 142 King St. W., Toronto). "For Sale by E. O. Ritz & Co., and all Kitchener druggists."

er, H. W. Hewitson, Toronto; Intermediate Representatives, W. Duffield (London), R. Reynolds (Dundas); Senior, Messrs. McAllister, Hoare and Garlick, junior, J. W. Russell (Woodstock), Wm. McFarvin (Hamilton), C. L. Brown (Sarnia).

Secretary Hewitson will not, however, stand for office again.

Rule 7, Section A—Change rule to read as follows:—The ball shall be kicked out or scrimmaged by the side in whose goal it had gone after a rouge or safety touch.

Scoring of points—Points scored from a drop kick 3, "kick" to be kicked off at the 40-yard line.

That the O.R.F.U. adopt the suggestion of the A.A.U. of C. for the purpose of centralization.

That the date of the annual meeting be changed to the first week in September.
