

- A. A copy of the Warden's report to the Inspectors.
- B. Copies of the Chaplains' reports to the Inspectors.
- C. Copy of the Physician's annual report.

Reports to be made by Inspectors.

D. A return of the names, ages, country, callings and 5 crimes of the convicts received into the Penitentiary during the year, and the Township, Parish, County and District from which each came.

E. A return of the names, ages, callings and crimes of 10 the convicts who died in the Penitentiary during the year, and the Township, Parish, County and District from which each came.

F. A similar return of the convicts who had the Royal pardon extended to them during the year.

G. A similar return of the convicts liberated during the 15 year by the expiration of the term for which they were sentenced.

H. A tabular statement shewing the number of prisoners in the Penitentiary at the date to which the last 20 previous annual report was made up, the number received during the year, the number discharged, the number then in confinement, and the average number in the Prison during the year; and the said statement shall further show these particulars separately as to the male and female prisoners, and as to the military prisoners distinguished from the civilians.

I. A statement of the contracts for convict labour entered into during the past year, showing the nature, the terms and the duration thereof.

J. A balance-sheet of the affairs of the Institution at 30 31st December of the year reported upon, showing the amount of cash received from the public exchequer since the commencement of the Institution, the existing assets of the Penitentiary, and the loss or gain accruing by its operations since the commencement.

35 K. A cash balance for the past year, shewing the sum on hand on 31st December, the cash received through the year in payment of old debts, the amount received from Government towards the support of the Prison, the amount received for convict labour; the amount received for the 40 support of military prisoners, the amount received for articles manufactured in the Prison at the risk of the Government, and the amounts received on all other accounts during the year. The said balance-sheet shall also shew separately the sums paid for food, bedding, clothing and hospital 45 stores for the convicts—for the salaries of the Officers—fuel and light—for the erection of new buildings and repairs—for the support of the stable—and for all other items of expenditure; also the cash on hand at the close of the year.
