

The Ideal Runabout

for Fishermen, Family, or
Commercial Purposes

Nothing to compare with it. Has patented and exclusive features including the famous Disappearing Propeller Device, giving these boats advantages over other boats. Safe, Sturdy, Reliable, Economical—20 to 25 miles to gallon. Thousands in use. Adopted by many Federal and Provincial Departments, Institutions and large camps. See new 1923 features including new type engine and device.

Write for descriptive Catalogue in colors. Prices range from Fishermen's Model \$299. to Dis. Pro. Special \$575.
