PART-TIME INSTRUCTORS FOR  
**Computing Services Courses**

Computing Services offers a noncredit training program on the use of MTS, TEXTFORM and microcomputers.

The department has openings for instructors. Anyone with experience as a user of MTS, or the IBM PC including Lotus 1-2-3 and MultiMate Advantage is invited to apply. Also required is the ability to relate well with new users and to explain the basics in clear and simple fashion.

Applicants should be available to teach some daytime and evening sessions. The salary for these teaching positions is \$15.87 per hour.
