INTERNATIONAL AUDIO REVIEW
HOTLINE # 18, FEBRUARY 1982

"Imaging is precise and well maintained... the Mirage... generates a very credible illusion of the real thing..."

HIGH FIDELITY NOVEMBER 1982

In conclusion it is a high quality loudspeaker... suitable for the majority of audiophiles..."

ALTA FEDELTA (ITALY) MAY 1982

"Above all else, it is natural when compared to a live performance..."

STEREO GUIDE APRIL/MAY 1983

...a speaker that sounds very much like some mini-monitors that cost 2 to 3 times its prices."

FM GUIDE FEBRUARY 1983

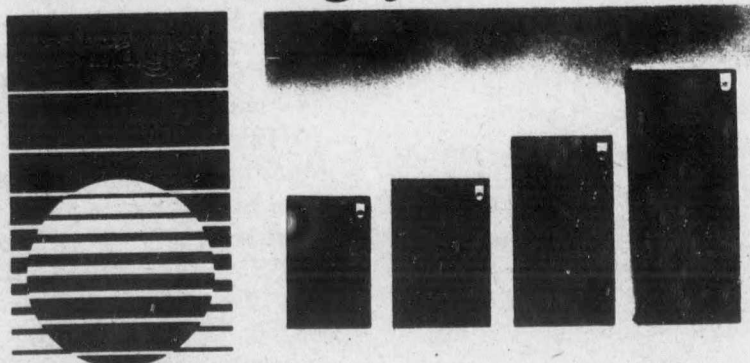

"I can't imagine any music lover not liking the [Mirage], or not appreciating its extraordinary price/performance ratio."

FM GUIDE JULY/AUGUST 1982

"... the Mirage can slug it out with the best of the international competition... spacious, articulate and essentially neutral..."

WHAT HI-FI NOVEMBER 1980

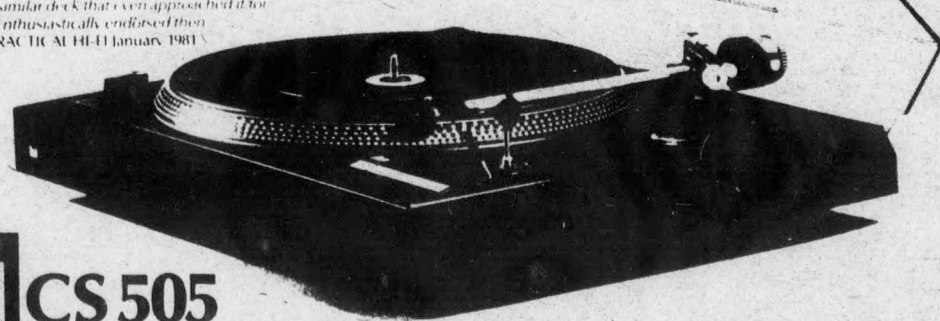

...pretty well unobtainable at or near the price"

A Gold FRSR PRACTICAL HI-FI January 1981

it must be considered superb value for money.
Bernard Luttrell NIAW MUSIC EXPRESS 1st November 1980

The turntable offers wide compatibility with cartridges, has foolproof semi-automatic, is resistant to problems from use in less than ideal positions and has a sound quality I can describe as second to none.

no other similar deck that even approached it for sound quality. Enthusiastically endorsed then.
