

In recognition
of your
accomplishment

Congratulations!

the Personal Computer
Purchase Center
presents a
Special 1994 Graduation
Promotion.

We are a service provided for university students, faculty and staff.

We are conveniently located on the Dalhousie campus.

We are open Monday through Friday 12:30 to 4:30.

Our mandate is to provide students the best educational prices and the highest quality for computer hardware and software. We are not a profit oriented organization.

We carry a full line of microcomputer products including IBM, Apple, Hewlett Packard, Packard Bell, Toshiba and many more, at educational prices.

We carry a regular inventory of hardware, software and peripherals.

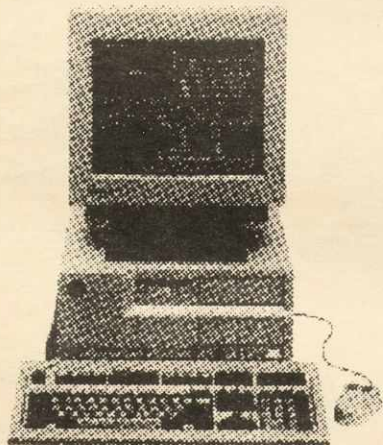

We are able to special order any goods you may need if they are available through our suppliers.

Phone us from 9:30 to 4:30 at
494-2626
