MEMORANDUM for the Prime Minister:

RE UNITED KINGDOM MINISTRY OF INFORMATION

Attached is a copy of a secret memorandum from the United Kingdom Government on the organization of the Ministry of Information.

Mr. Pickersgill has secured several books on British propaganda in the last war and is preparing a brief summary of such details regarding organization as can be obtained from them. There does not appear to be an outline of the organization in the last war available in Ottawa.

September 22, 1939.
