

and A.D. are parallel, and if not,
is the line D.C. supposed to be
divided proportionately to the line
A.B.

You will also be good enough
to give the valuation, per acre, of
the whole property, and the
estimated value of each of the
separate divisions with reasons
for any differences in value.

Your obedient servant,
A. H. H. H.

for the Deputy of the Sup. Gen.
of Indian Affairs.
