Ottawa, September 2, 1913.

Sir,-

Referring to Superintendent's account for the alterations and repairs to the Fort Frances Industrial School I beg to say that before the last and final certificate, which will be No. 4, can be paid there will have to be attached to it a statement showing in detail the entries amounting to \$1247.00, how they were incurred and by what authority. This is required for purposes of the Auditor General.

Very obedient servant.

Actg. Deputy Com. Secretary.
