Attention: Major D.M. MacKay

Dear Sir:

With reference to Mr. Smith's telephone conversation with you on Monday, March 24th, we would like very much to discuss the increase on stumpage rates on I.R. 13 as outlined in the letter dated February 10th from R.H. Moore, Indian Agent, Duncan.

We understand that you prefer to come over to Nanaimo and look into this matter. We would appreciate it very much to have the opportunity to discuss the matter with you over here any time next week or whenever convenient to yourself.

Very truly yours,
STANDARD LOGGING CO.
