

Article 92

1. The certificates specified in Appendices 1, 2, 3 and 4 shall be printed in English and in French, An official language of the territory of issue may be added.
2. The certificates referred to in paragraph 1 of this Article shall be completed in English or in French. Completion in another language in addition is not excluded.
3. International certificates of vaccination must be signed by a medical practitioner in his own hand; his official stamp is not an accepted substitute for the signature.
4. International certificates of vaccination are individual certificates and shall in no circumstances be used collectively. Separate certificates shall be issued for children.
5. No departure shall be made from the models of the certificates specified in Appendices 2, 3 and 4, and no photograph shall be included.
6. A parent or guardian shall sign the international certificate of vaccination when the child is unable to write. The signature of an illiterate shall be indicated in the usual manner by his mark and the indication by another that this is the mark of the person concerned.
7. If a vaccinator is of the opinion that vaccination is contra-indicated on medical grounds he shall provide the person with reasons, written in English or French, underlying that opinion, which health authorities should take into account.

Article 93

A vaccination document issued by the Armed Forces to an active member of those Forces shall be accepted in lieu of an international certificate in the form shown in Appendix 2, 3 or 4 if:

- (a) it embodies medical information substantially the same as that required by such form; and
- (b) it contains a statement in English or in French recording the nature and date of the vaccination and to the effect that it is issued in accordance with this Article.

Article 94

No health document, other than those provided for in these Regulations, shall be required in international traffic.

PART VII - CHARGES*Article 95*

1. No charge shall be made by a health authority for:
 - (a) any medical examination provided for in these Regulations, or any supplementary examination, bacteriological or otherwise, which may be required to ascertain the state of health of the person examined;
 - (b) any vaccination of a person on arrival and any certificate thereof.
