SAD DROWNING

Frank Gordanier, formerly of Chatham Township, Drowned at Maple Rapids, Michigan.

The following from the Clinton Republican, published in St. John's, Mich., has reference to Frank Gordanier, son of Mr. and Mrs. Jacob Gordanier, formerly residents of Chatham Township:—

The people of Maple Rapids were shocked Monday about 11 o'clock when it was announced that Frank Gordanier, aged 17, a young man residing with his parents, Mr. and Mrs. Jacob Gordanier in town, and drowned while bathing with other boys.

Frank had helped his mother wash in the morning and then went to the garden and picked some peas for dinner. After going down town he rode his wheel to the swimming place, about half a mile west of the village. It is possible that cramps were caused by the young man being over-heated and the water not very warm. He was a fair swimmer.

Ralph Hewitt, Bernard Butler, Lloyd Willoughby and Paul Alexander, ranging in age from 13 to 15 years, were in company with him. The boys tried to save him, but all in vain. The body was not found until about 1 p. m., when Bert Case dove for it from a boat, and every plan was used to restore life, but failed.

His parents are broken-hearted. He was the youngest of eight children and a special favorite of all young and old.

He was a junior in the high school. His parents moved from their farm in Essex this spring, almost solely for the purpose of the advantage of having Frank with them during his school work here.

All the family are at home during this trying hour, except the sister, Minnie, whose home is in Iowa, and a brother, Archie, in Utah.

The family have the sympathy of the community.
