ATTRACTION FOR TOURISTS.

Many years ago, the beautiful scenery of "the back Lakes" attracted the attention of a number of young Englishmen, who were much more intent upon the enjoyments of shooting and fishing than the more laborious duties of the settler in the back woods, and a number of them fixed their abodes in the townships, along the banks of those Lakes.—A few years, however, sufficed to show them that the attempt to introduce the system of gentleman farming in the back woods of Canada was a failure; the ideal home they had pictured to
