AN INVESTMENT OPPORTUNITY

Is the safety of your money your chief consideration in deciding upon an investment for it?

Then you cannot find a more satisfactory investment than this Corporation's Bonds.

To bring them within reach of the smallest investor, they are issued for sums as small as one hundred dollars.

This does not preclude the selection by investors of large sums, large numbers of whom hold them for many thousands of dollars.

They are a legal investment for Trust Funds, and many Executors and Trustees save themselves worry and anxiety by investing in them.

They are held in large sums by Insurance Companies, Benevolent and Fraternal Societies and similar institutions. Send for specimen Bond, copy Annual Report, etc.

Why the "Mutual Life of Canada" is so Popular

The Mutual placed upon its books in the first five months of 1919, 100 per cent more business than in the corresponding months of 1918. The wonderful War-record of the Mutual Life and the prompt payment of the many unexpected claims during the recent epidemic—these have proved the value of the institution. The Mutual, moreover, is in a peculiar sense a people's Company being in its control democratic, in its economy strictly co-operative. This means that the system is in line with the "spirit of the age" and so the people naturally turn to the Mutual. The record of the Company for nearly half a century has been one of increasing beneficence, and an ever-growing number of gratified policy-holders help on the good work of the agents. As a result there probably is no more prosperous group of workers in Canada today than the representatives of our Company.
