MUTUAL IN PRINCIPLE: MUTUAL IN PRACTICE
 Prosperity has attended every step in the march of the Mutual from the opening of its long campaign in 1870 down to the present, and much of that success has been due to the practice of the principle of mutual-ity which has characterized all ranks of the ever-increasing army. Obstacles have been removed, difficulties overcome and a long succession of victories achieved by co-operation. The most vital force in the world. The objective of the **Mutual Life of Canada** since its organization in 1869 has been "to furnish the largest amount of genuine life insurance at the lowest possible net cost." This objective has been attained as actual results clearly show. The limited number of lapses indicates a membership of satisfied policyholders while the rapidly expanding business reveals the growing of the Company. Join our victorious march
