DEAR SIR-I am deeply grateful to the friend that suggested to ma, when I was a cripple from Rheumatism, Benedictine Salve. I have at intervals during the last ten years been afflicted with muscular rheumatism, I have experimented with every available remedy and have consulted might say, every physician of repute, without perceivable fit. DEAR SIR-It is with pleasure that I write this unsolicited testimose ial, and in doing so I can say that your Benedictine Salve has done more for me in one week than anything I have done for the last five years. DEAR SIR-I have great pleasure in recommending the Benedictias Salve as a sure cure for lumbago. When I was taken down with it I called in my doctor, and he told me it would be a long time before I would be around again. DEAR SIR-It is with pleasure I write this word of testimony to the marvellous merits of Benedictine Salve as a certain cure for Rheumatism There is such a multitude of alleged Rheumatic cures advertised that one is inclined to be skeptical of the merits of any new preparation, I was induced to give Benedictine Salve a trial and must say that after suffering for eight years from Rheumatism it has, I believe, effected as absolute and permanent cure. It is perhaps needless to say that in the last eight years I have consulted a number of doctors and have tried a large number of other medicines advertised, without receiving any benefit, Yours respectfully, MRS. SIMPSON.

65 Carlton Street, Toronto, Feb. 1, 1962.

John O'Connor, Esq., 199 King Street East: I was a sufferer for four months from acute rheumatism in my left arm; my physician called regularly and prescribed for it, but gave me no relief. My brother, who appeared to have faith in your Benedictine Salve, gave enough of it to apply twice to my arm. I used it first on a Thurs day night, and applied it again on Friday night. This was in the latter part of November. Since then (over two months) I have not had a trace of rheumatism. I feel that you are entitled to this tertimonial as to the efficacy of Benedictine Salve in removing rheumatic paine. Yours sincerely, M. A. COWAN.

Toronto, Dec. 80th, 1961,

John O'Connor, Esq., Toronto: DEAR SIR-It is with pleasure I write this unsolicited testimonial and in doing so I can say to the world that your Benedictine Salve thoroughly cured me of Bleeding Piles. I suffered for nine months. I consulted a physician, one of the best, and he gave me a box of salve and said that if that did not cure me Iwould have to go under an operation. It failed, but a friend of mine learned by chance that I was suffering from Bleeding Piles. He told me he could get me a cure and he was true to his word. He got me a box of Benedictine Salve and it gave me relief at once and cured me in a few days. I am now completely cured. It is worth its weight in gold. I cannot but feel proud after suftering so long. It has given me athorough cure and I am sure it will never return. I can strongly recommend it to anyone afflicted as I was. It will cure without fail. I can be called on for living proof. I am,
