Ready Cash for the Business

Would your Business be kept going as usual if you were not here to look after it? Would its credit be shaken and its value be reduced? Would your family be able to carry it on or sell it without suffering a great loss?

Or, if your partner is taken away, what compensation will you have for the loss of his energy and services? Where will the money come from to buy out his interests so that you can run the business independently?

The Ready Cash coming at such a time from a Canada Life Commercial Protection Policy will settle all these problems without sacrifice to you, your business or your family.
