

Go to Market in 1/4 the Time

Think of the pitiful waste of time spent in going to market and back—if it is a ten-mile drive it takes you probably two hours each way. And you could do it in half an hour or less if you had a FOX Trailer for your car.

The Auto Trailer has proved so successful in the United States that thousands of them have been sold in the last few months. This splendid utility—the FOX Trailer—can be attached to any make of car. It causes no injury to the car—no inconvenience to drive. Built like an automobile, with steel chassis, steel axle ball-bearing wheels, interchangeable with Ford wheels, solid Dunlop tires, guaranteed for 10,000 miles. Size of body, 6 ft. x 4 ft. Write for descriptive catalogue.

Ask Your Local Automobile or
Implement Dealer, or write:

Fox Brothers & Co., Limited
WINDSOR, ONTARIO

Auto tongue truck equipment on Deering and McCormick binders. Illustration shows position of tongue truck wheels when making a turn at end of swath. Note that wheels follow a natural circular track with the main wheel as a pivot. The binder turns squarely and easily with no tendency of wheels to drag or lift and with no twisting strain on binder pole.

Binder Details That Count

A BINDER will work with a main wheel 8 inches wide, but a 10-inch wheel gives the machine a better motion and makes it pull easier, therefore that extra 2 inches on the face is important. Deering and McCormick binders have main wheels 10 inches wide.

An inch or so added to the depth of a main wheel lug is a small thing unless it gives the machine needed tractive power; then it is a big thing. Compare the depth of lugs on our main wheels and on others.

Deering and McCormick auto tongue truck wheels have removable bushings equipped with hard oil cups, which save throwing away the whole wheel when the bearing is worn. The canvases are loosened and tightened by the simple throwing of three levers, and are kept running true by an equalizer bar. This adds to the life of the canvases.

Buy Deering and McCormick binders—you can't do better. Your local agent will give you good service on the machines on sale. If you would like to have printed descriptions, write the nearest branch house.

SYDNEY BASIC SLAG

The Ideal Fertilizer for Ontario Soils
Arrange Early for Your Supplies for Fall Wheat

We have just printed a new pamphlet giving full particulars with regard to Sydney Basic Slag. It also contains the experience of leading Ontario farmers who have been using Basic Slag since its introduction. Drop us a line and let us send you a copy of this pamphlet. We think a perusal of same will start you using Basic Slag. In any case it is worth your while getting to know something about the fertilizer which thousands of Ontario farmers say is the best value obtainable.
