THINK!**

**Sharples Tubular
Cream Separators**

**The Only Simple, Only Strictly
Modern Cream Separators.**

Think of what it means to you to get a Sharples Dairy Tubular Cream Separator, "The World's Best", in the first place. Think of the cream it will save by its double skimming force, and of the work and repairs saved by its absolute simplicity. Contains neither disks nor other contraptions. **Think hard** and tell yourself if there is any reason why you should give your money to a "peddler", or put it into an inferior cream separator of any sort that can never give you the satisfaction or profits a Tubular will give you.
