

MISSIONARY LISTS.

Will the ministers of the N. B. and P. E. I. Conference please remember the rule which requires that the missionary lists be presented at District in all respects ready for the printer. This year there is two complete lists for each circuit, one for the general report and one for the local. In the first let the names of subscribers for two dollars and upward be entered, and only these; and let all sums under \$2.00 be grouped as "small sums."

BARACHOIX DE MALBAIE, District of Gaspé, April 10, 1876.—Messrs. T. Graham & Son.—I have been afflicted with asthma in its worst form for fourteen years, as all my neighbors know. In that time I have used a great many kinds of medicine, but nothing ever gave me such great relief as your Pain Expeller. This medicine was recommended to me by the Rev. G. Douglas, LL.D., Professor of Theology in the Wesleyan Institute in Montreal. The Doctor's confidence in it was such that he sent me some of it, and I found it justified his high opinion of it. I have also seen it tried in many cases of coughs and colds, several of which were very severe, and it cured in every case. It is the best Family Medicine I have ever used, and it is in great demand here.

THOMAS J. FOUGER.

A SCREW LOOSE.—When I hear a boy speaking of his father as "the old man," or the "governor," I know there is a screw loose, and the boy has taken a long step toward the bad. And the girl who pouts when reproved by her mother, and jerks off her bonnet in a pet when restrained from going abroad, has as already mentioned against the law of heaven, and entered a road that leads to a gulf from which there is no return.
