The "Times" of Ceylon

Says of this Company, May 4th, 1889.

"We are asked by a correspondent, 'Which Company, for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability the Ceylon Tea Growers, Limited (Khangani Brand), sell more tea than most, seeing that they have no less than 1,000 Agents in Great Britain alone, and, in the course of twelve months, must sell a very large quantity of tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY.

BRIDGE'S FOOD FOR INFANTS & INVALIDS

Abundant proofs are given where Ridge's Food has been adopted when children have been taken from the mother's breast when the taint of hereditary disease has been present and the child has grown up hearty and strong. It is natural in its action on the bowels, and a perfectly safe diet if used according to the Special Directions around each can; will prove the desideratum for the weakest infant and is also the only food which will furnish a full meal for a growing child. J. Bliss, Esq., Compton P. O., writes:
Health seekers travel far to mountains, lakes, seas and springs, but of all the famous places to have the body thoroughly cleansed of health destroying impurities, supple the joints, firm up the muscles and frame, and make one feel fresh life-trickling through the veins, give me St. Leon Mineral Water. Have proved for fifty years. By using it heartily for a few months it will remodel anyone.
