

# CANADA

**OFFERS FREE FARMS IN HER FERTILE WEST**

**A NEW SETTLER'S FIRST HOME**

From the United States, the British Isles and Continental Europe, a steady stream of settlers has been pouring into Canada, totalling in all for the past 12 years over one and one-half million souls.

Free homesteads are being taken, and land purchased from syndicates and corporations with ever-increasing rapidity.

The wheat production of the prairie provinces of Manitoba, Saskatchewan and Alberta has increased from 56 million bushels in 1903 to about 125 million bushels in 1909.
