

Your Personal Guarantee Still Holds Good

The weather we will have henceforth will be a determining factor in the quality of the flour you will sell next year.

While, of course, we cannot control the weather, your interest dictates that we carefully supervise our wheat selection and milling process.

It is because the LAKE O' THE WOODS are not only willing but equipped through their intricate elevator system to sift the crop for its finest fruit, irrespective of price influence, that the grocers and dealers on our list are so well able at all times to maintain the integrity of their personal guarantee to the housewives in their trading radius.

This Company's milling policy is based on the conviction that even in the leanest years there will be ample high grade wheat to insure the uniformly dependable standard of at least one brand of flour.

Even with the wheat still in the ground it is reassuring for you to know that your customers can rely on uniform baking results with FIVE ROSES flour. *Let your customers learn by experience that the words "Uniformity and Purity" on a FIVE ROSES bag are a genuine description of the contents.*

Such a belief on their part is the soundest basis of Goodwill!
