

The Want Ad To-day is One of the Things That Tends Most to Success!

Attic Treasures

Your attic may be a veritable gold mine. Have you forgotten those old silk dresses and wraps discarded and laid away years ago? Of course, they are out of style now, but the materials of which they are made may have a surprising value to some one who is looking for just such goods.

You may not wish to part with the garments for sentimental reasons, or on the other hand if they could bring you a comfortable little sum in cash, you might be glad to sell them.

If the latter is the case, run a little Want Ad or two telling about them. You don't realize how many people would like your dress goods, but the Want Ads will convince you. Start today.

Browning Holds Record

The first Browning gun was made by John M. Browning when he was thirteen years old. It was not a machine gun, as may be surmised. Mr. Browning invented more successful firearms than any ten other men in history—Forum.

Malaria's Scourge

Malaria fever, as by far the greatest scourge of the rural districts of Venezuela. In the one state of Carabobo, with a population of 1,993,999, there were 1,484 deaths from malaria last year.

May Be New Source of Oil

It is believed that large quantities of an oil with many commercial uses can be obtained from the nuts of the corol palm, which grows prolifically in central and tropical South America.

Electric

New York is estimated to have 2,500 commercial electric vehicles, Chicago 1,050, and Philadelphia 150.

Draw Rusted Nails

First drive them in a little, which breaks the hold, and then they may be drawn out much easier.
