The work on the foundation for Messrs. Brown, Munro & Co's. warehouse is being pushed along rapidly. We understand the building is to be completed by the middle of May.

Easter Sunday this year will be the 10th of March, as it was in 1833, and only three Easter Sundays in the nineteenth century have been at an earlier date. The latest date of any Easter Sunday in this century was April 25th, 1855.

The last entertainment of the "Star Course," to be given by the "Old Home-Head Male Quartette," is to be given on April 7th. This company has a first-rate reputation and the entertainment will probably be the last of the course.

The reception given in College Hall by the Acadia Athenaeum was an usual success in every way. A large number of invited guests were present. The hall, neatly and artistically furnished for the occasion, presented a fine appearance. A temperance "prize meeting" in connection with the plebiscite vote, was held in the Methodist church of this town on Sunday evening after the close of the regular evening service. The pastor, Rev. A number of appropriate addresses were given by prominent workers and a pleasant and profitable evening was spent.

The Plebiscite Vote.

The result of the prohibition vote in this county, as given below, is certainly encouraging and shows the sentiment of Kings county to be in favor of the abolition of the drink traffic. While we have not yet been able to get the full returns for the province, it certainly looks as though our county would lead in the majority given in favor of prohibition. What of those who say that the temperance sentiment is not on the increase? Prohibition is bound to come. Let the temperance people of our land continue in the good work and victory will ere long be theirs. Following is the full vote for the county.

It is rumored that we will soon lose one of our young ladies. A young sea captain of Wolfville is responsible.

Mr. Dickerson, who has spent the winter with her sister Mrs. Eben Curry, left on Wednesday for her home in Boston. F. W. Curry accompanied her as far as Yarmouth.

Miss Shaffer is spending Easter at her home in Truro.

A good many of the Acadia Villa boys are away for Easter. Mr. Tait is visiting friends in Halifax and Windsor.

Mrs. F. W. Curry entertained a few of her friends Monday evening.

We are sorry to lose our genial blacksmith, Mr. Ogilvie, who leaves us this week. Not finding work so plentiful as he would like, he is going to seek his fortune in the neighboring Republic.

Mr. John Pines has leased the shop and is ready for the spring work.

Rev. Mr. Fisher, of Canning, will occupy the Methodist pulpit morning and evening on Sabbath. The choir are preparing some special Easter music and the services no doubt will be most interesting. The annual missionary sermon will be preached in the evening.

Mr. James Dill has sold his farm, and intends to return to his home about the first of May. Mr. Clarence Fuller is reported as being the purchaser.

There was a small party of young folks at Mrs. Chas. Patterson's Wednesday evening.

CLERGYMEN RECOMMEND IT. REV. J. LEISHMAN, ANGUS, ONT. writes: "It gives me much pleasure to testify to the excellence of E. D. C., as a cure for Dyspepsia. I have recommended it here widely, and in every case it has proved successful. It is the very best remedy for that frightful trouble that I know of, and never fails to help as sure when used as you direct. It deserves the name 'King of Dyspepsia Cures.'"

Mr. Frank Lockhart, of Cornwallis, N. S., came to Portland by the boat, says the Portland Press, of Friday. On the way he met an agreeable gentleman, and while in Portland the new friend said he had to pay the freight on a lot of furniture he had on the boat, which was in charge of his wife, and wanted Lockhart to lend him \$40, offering a check for \$350 for security. Of course the check was worthless, and the friend has disappeared with the \$40. Lockhart knows more now than he did.
