The recital to be given by the teachers of Acadia Seminary in College Hall next Friday evening will be one of the best entertainments of the season. Don't miss it.

The Wolfville merchants are preparing to put out an announcement of special interest to buyers of Christmas goods. It will pay all to look out for it and read it carefully.

Among the successful contestants in connection with the Wolfville Fair 'Contest of the International Schools' System is E. W. Simonson, of Yarmouth, formerly of Wolfville. The Skoda sailed on Monday and is now on her way across the Atlantic. She was towed out by the steamer 'Brunswick' and tug 'Minnie K.' The morning was a most delightful one, and a goodly number assembled on the wharf to see the barquentine take her departure. As the graceful vessel with her tall spars glided out of the harbor the sight was a very pretty one, and will not soon be forgotten by spectators. We wish the Skoda a speedy and safe voyage.

Fire Insurance effected in first class offices. Policies cover damage caused by Lightning whether or not fire occurs. Apply to E. S. Crawley, Agent, Wolfville, N. S.

The Wolfville Clothing Company last August published an advertisement in this paper containing a coupon good for five dollars in the purchase of a suit or overcoat. The response was so remarkable that the firm has decided to stir up the Christmas trade with a still more attractive offer which will be found in its advertisement on page two. Every purchaser of a suit or overcoat will be given a custom made pair of trousers without extra cost and he may pick the material, within a generous limit himself. Such an offer made by such a reputable firm should attract the attention of every man who wants to save money. It is unnecessary to mention that the Wolfville Clothing Co. guarantees the fit and finish of everything it makes.

Sudden Death.

Mrs. John Lawrence died suddenly at her home in Grand Pre on the morning of Dec. 1st. Deceased had been suffering from heart failure for some time, and a severe cold contracted over a week ago hastened the end.

She went to bed in her usual health Wednesday night and was found dead in bed Thursday morning, Dec. 1st.

Mrs. Lawrence was a daughter of the late Wm. Harvey, of Falmouth, who was a well known surveyor at that place.

Deceased was possessed of much talent, and devoted some of the early years of her life to literary work. She also spent some years in the teaching profession. She was of a gentle kindly disposition, and won the hearts of all who knew her.

She leaves one son and three daughters, John, the oldest, who is in the employ of W. B. Arthur & Co., hardware merchants, Halifax, N. S., who is attending the Academy at Wolfville; Jennie and Jessie at home.

The funeral took place on Saturday, the remains being conveyed to Falmouth in charge of the undertaker, Mr. A. J. Woodman, of this town, and accompanied by the family. The obsequies were largely attended. The remains were interred in the cemetery, near those of her father, Rev. W. F. Parker, on Wednesday, Dec. 4th, at about 10 o'clock. The service at the grave in the absence of the pastor who had been called to Wolfville that day, by the serious illness of his son Ernest. Deceased was 51 years of age.

The engagement of Miss Maude Borden, second daughter of Sir Frederick Borden, to Mr. Lionel Macoun of Ottawa, is announced.

Dr. Harold Lawrence, who left some weeks ago for the west, has decided not to return to Wolfville. He has purchased a practice at Spokane, Wash., and will locate in that city. We notice by a Spokane newspaper that he has passed the state dental board, being one of seven out of a class of twenty-one who were successful in doing so. We are sorry to lose Dr. Lawrence from Wolfville, but wish him success in his new home.

Mrs. Lawrence was a daughter of the late Wm. Harvey, of Falmouth, who was a well known surveyor at that place.

Miss Margaret Higgins, of Astoria, Oregon, arrived on Monday evening and will spend the winter at the home of her grandmother, Mrs. W. J. Higgins, of this town. Her father, Mr. James E. Higgins, cashier of the National Bank of Astoria, accompanied her to St. Louis, where they spent nearly two weeks visiting the fair. Miss Higgins, since attending Acadia Seminary a few years ago, has spent three years at the Leisler Stanford University, Ca., and has completed the Junior year at that institution.

The death of Mr. Judah L. Bishop, of this town, occurred at his home on University Avenue yesterday afternoon at about 2 o'clock. Mr. Bishop had been in poor health for some time, and fell a victim to that dread disease consumption. The deceased was well known in this vicinity, having spent most of his life here. He was for some years principal of the Wolfville schools, and has taught with success in different parts of the province. In his younger days he spent several years in the west. He was of a genial disposition and had many friends. We regret that our space will not admit of a more extended mention this week. Mr. Bishop leaves a widow and several small children who have the sympathy of all.

The pupils of Miss Lila Madeline Lockhart intend giving a recital on Thursday evening, the 15th inst., in Acadia Villa Hall. They will be assisted by Miss Adria Coalfield and other musical talent. The program will consist of orchestra, piano, violin, and vocal selections and will commence at a quarter to eight sharp. Admission 15 cents. The proceeds will be divided equally between the Presbyterian and Methodist churches of the community.

The Mission Band will hold their annual Christmas Entertainment and Sale on Monday evening, Dec. 12th, in the basement of the Methodist church.

The usual fall social event at Acadia Villa School came off last week when a right pleasant evening was spent in the library, music room and the new convalescent room. Over forty young ladies had been invited so that nearly one hundred participated in the evening's festivities. Games of various kinds such as Bagatelle, Flipch, Pit, Carroms, &c., were enjoyed for a time; then light refreshments were served by Mrs. and Miss Patterson and the evening closed with an excellent program of vocal and instrumental music continuing very nearly to midnight.

Mrs. John Sturk returned home on Monday last from Manitoba, having been absent a little over two years. Mr. Sturk has charge of a church while pursuing his college studies at Winnipeg.

Miss Belle Sheffield, a former music teacher at Acadia Villa School, was the guest of Miss Patterson at 'The Cottage' a few days last week and was present at the school party.

Miss Lockhart remained over Sunday, also, the guest of Miss Patterson, and assisted the Methodist choir. Her violin solos at both services were simply charming and greatly enjoyed by all.

Miss Edith Curry returned home from Montreal a few weeks ago, and will rest at her home during the winter.

The Methodist and Presbyterian choirs will unite for the Christmas services in both churches. They are now holding weekly practices and will accept the lowest or any tender. By order, L. DE V. CHIPMAN, Municipal Clerk, Kings County, Kentville, Oct. 27th, 1904.
