Coun. Phillips said the report of the building Committee would be ready after dinner-The committee would allowed this further time. .

The Warden speaking of the delegation to the convention of the Municipalities at Campbellton spoke of what led to delegates attending. The Council had met, but he got in touch will all the councillors and fourteen of them were in favor of the motion, seven were against. Under these circumstances and in view of the expressed opinion he had delegated Couns Balmain and Tracey, going himself on his own responsibility.

Coun. Balmain, spoke of his trip, and the convention, pointing out the use of the convention, the lesson to be learned, and the necessity of this County joining in such a movement. There were about 75 attended the convention. Important matters were brought before the convention, discussed and recommendations carried before the legislation affecting the

Everyone expressed himself as hav-ing enjoyed the convention and that it was an e xcellent trip. York sent from that county six representatance to conduct tives and the Council voted \$40 a bank account piece for its representaives. In regard to the meeting they were orderly, conducted in a thorough business like like manner, and the banquet given to the visitors was noted for the abstem-iousness of those attending.

Coun. Tracey spoke of the conven-tion. He thanked the Council for sending him. He was strongly in favor of the Union of the Municipali-

The meeting in Campbellton was said to be the best in the history of the movement. Of 33 municipalities Mayor Reilly, Moncton; Sec. Treas, 23 are now on the membership roll, The enuncillor's report of the proceedings is as follows:

The fourth annual convention of the union of Municipalities of the province, met at Campbellton on Feb 16th and 17th, and was considered to be the best in the history of the Union, and the report of the Sec'y showed that of the 33 Municipalities of the province 23 are now enrolled as active members of the Union. The first session opened at 11 o'clock of Wednesday morning with Pres. Chestnut in the chair, The Sec. of the Canadian Union wired his regrets that he would not be able to attend. Hon, John Morciesy, Chief Com., of public works was present as a representative of the Government and occupied a seat upon the platform throughout the Conven-

Pres. Chestnut then delivered his ddress which was too lengthy to repeat. He dealt in particular with the system of Uniform accounting and with regard to the establishment of a laboratory for the purpose of making chemical and bacteriological analysis by the Provincial Government. On motion the address was referred to the Executive for consideration.

The report of the Sec. Treas. J. W. McCready was next submitted. He week. refered mostly to his trip to the West as a delegate to the Canadian Union, and gave some very interesting information. The statement of receipts and expenditure was also read by the Secretary and showed a balance on hand of \$253.30.

The following were appointed to the executive to fill vacancies: Mayor Reilly, Warden Gilbert, Ald McGoldrick, Coun. Sterling, Mayor Miller, Coun. Polley and Coun.

session Hon John Morrissy delivered his address. His chief subject was the Highway Act. In conclusion, he said that it was intention of the Government to place a liberal amount of money at the disposal of the Highway Boards this year.

The Highway Act was then taken up and thoroughly discussed. Some were satisfied with the working of the Act and some were not. Coun. Flewelling asked if the Government grant was to be distributed through the Highway Boards or through the members of the Counties. The Coun. replied that the patronage system still existed and he could not say anything about the matter outside his own County where the money would be expended by the Highway

established in connection with the University of New Brunswick as soon as possible. After some remarks the resolution passed and committee appointed. At the evening session Rev. F. Hunter Boyd speke on the prevention of tuberculosis.

On Tuesday morning Ald McGold rick opened a discussion of telephone rates charged by the N. B. Telephone Co and introduced the following resolution that the local government be memoralized to amend the act respecting Telephone Co so as to provide that telephone rates and bills cannot be increased with the approval of the Lieutenant Governor in Council, and upon hearing of all parties concerned who may desire to oppose [such increase. The resolution was strongly opposed by some, but was finally adopted unanimously.

The next item on the program was a paper on roadmaking by A. R. Wetmore, but who was unable to be there. Other questions such as taxation on water supplies owned by cities or towns outside the town

limits were taken up. At the afternoon session it was moved that the Committee endorse the work of the society for the prevertion of Tuberculosis and recommends the co-operation of individual municipalities is the work; this motion was adopted. A motion was also introduced asking that the legislature amend the Act relating to rates and taxes so that no board of Assessors should allow any ratepayer any exemption from taxation by reason of indebtedness unless an affidavit is made showing the amount and nature or such indebtedness is owing. The motion carried unanimously.

The president then read a paper on economies and principals of McAdam Constructor for towns, which was too lengthy to repeat.

The paper was very favorably received and a vote of thanks tendered Mr Black, City Engineer of Campbellton. Then followed a discussion on the

export duty on pulp-wood. There also was a discussion, on the public health act. A resolution was also passed asking that the time for hunting big game be extended to the 31st of December for residents. Woodstock was selected for the
