**AROOSTOOKAN SYMPATHY**

The Fort Fairfield Review has the following

The people at Hartland and those just across the river at Somerville are having an inconvenient time nowadays owing to the going out of two spans of the bridge across the St. John there. And the government is not able to help them out any right now, having its hands full attending to the bridge at St. John and to the one between St. Stephen and Calais. However, the bridge will doubtless be repaired early this summer, so as to be in use again before many months, although labor is scarce nowadays and materials are hard to obtain and slow in coming.

**Jury Places Disapproval of Careless Motor Driving**

At the adjourned sitting of the Carleton Circuit Court last week the case of William Morey and Edna Morey, his wife, vs. G. Lewis Bell was tried and a verdict given the plaintiffs for \$828.70.

This action arose from a collision last October between the defendant's auto, driven by him, and the horse and carriage driven by Mrs. Morey and daughter in Main street Woodstock, when Mrs. Morey was severely cut on the head and the horse killed.

The jury, with Bert Shaw of Wakefield, foreman, found negligence and awarded the plaintiffs the above damages. Robert L. Simms was counsel for the plaintiffs and W. P. Jones

K. C. and G. J. Jones acted for the defendant.

**Tractor Demonstration at East Florenceville**

Unusual interest was taken in the tractor demonstration which took place at East Florenceville, April 28, when McCain & Trifford displayed a car load of International Harvester tractors. Special interest was taken by the farmers of the surrounding district from the fact that this is the first car load of tractors to arrive in this locality. A number of the purchasers were present consisting of S. A. Perkins, A. A. H. Margison and Theodore Cain, who took delivery of their machines after the demonstration. The others are to be delivered during the next few days. The tractor game at the present time is just in its infancy, but from all appearances with the scarcity of labor and the high cost of the up-keep of horses, etc., it is an assured fact that the tractor has come to stay just the same as the automobile, and it will only be a matter of a few years then tractors will be as common as the Ford car.

**Middle Aged Women**

Women should take warning from such symptoms as heat flashes, shortness of breath, excessive nervousness, irritability, and the blues—which indicate the approach of the inevitable "Change" that comes to all women nearing middle age. We have published volumes of proof that Lydia E. Pinkham's Vegetable Compound is the greatest aid women can have during this trying period.

**Read About These Two Women:**

Franklin, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run-down condition, so I was laid for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. G. Jones, 225 Napoleon St., Franklin, Ohio.

Urbana, Ill.—"During Change of Life, in addition to the annoying symptoms I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and that it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain strength and the annoying symptoms disappeared, and my Vegetable Compound has made me a well-satisfied woman to do all my own housework. I can't recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. J. H. Haver, 216 South Orchard Street, Urbana, Ill.
