le le	THE SALVATION ARMY seem to have been hanging fire with regard to their assault on Satan's strongholds at Sackville, but it is now stated that they will positively begin their at- tack this woek. BENEAFED.—Sehr.Annie W. with a cargo of flour and oil for Mr. J. L. Black and others, ran aground on the marsh off Green Point, during the high tides of last week, and now lies high and dry. B. & F. BIRLE SOCKETY.—The anniversary of the Sackville Branch of the above society will be held this evening, 29th inst., is the Meth- odist Church. The Revs. Messre. Wyllie and Breeken with others will address the meeting. THE EXCURSION to St. John last Tuesday was fully as successful as could be expected considering the large number preceding it this season. The excursion train consisted of twelve cars which were comfortably filled, the number of tickets sold be- ing nearly 500. The weather was very favorable. NEW FACTORY.—Mr. C. A. Doull expects to raise the frame of his new furniture factory to-morrow The size of the main building is 50x30 feet, and it will be three and a half stornes high. Mr. Doull has pur- chased for his factory a new 35 H. P. Waterons engine, with steel boiler, manufactured by E. Leonard & Sona. THE BIG RAFT,—Mr. Robertson expects to launch his mammoth raft	ing citizens, who are net oblivious to the charms of the fair sex. —A suppor takes place on the 4th prox. to raise funds for the new Agricultural building. This build- ing has recently been erected on the premises of Mrs. Nelson Cannon is 25x40 in size, and is intended as a place to hold agricultural meet- ings in and to be head quarters for the farmers generally. —The lumber shipments this season, comprise 15 vessols to Great Britain and 4 to St. Pierre, as fol- lows:— Geo.McKees, 7 vessels, 2957 tons, 3 mil. ft. J.L. Black, 5 " 2190 " 2 " W.M.Moksy,3 " 1860 " 1½ " The value of experts to date is \$47,000. —The maskerel eatch was very- good a couple of months ago, but since that date has petered out to nothing. Capt. Newman's vessels have done but little since that date. The arrivals and shipments from Point du Chene are very muchlikelast last season. They consist of 572 bbls., of fish caught ceastwise, and 75 from P. E. Island; 40 bbls, salt coastwise, and 200 frem P. E. Is- land; tetal 887 bbls. The cate- int du Strein vessels that awarmed into the gulf this season have been still more unfortunate. —The fishery commission meets in Charlottetown early in October. Mr. Deacon is now home, the com- mission having adjourned till that date. There is a good deal of spec- lation as to what the recommenda- tion of the commission will be.	-Barque Hiawatha sail day. -There are five ships in ing deals for U. K. four Gooden & Co. and one for G -We are pleased to any the Rev. Mr. Tead's good has been seriously ill for is slowly improving. -Councillor Election di ing nigh, yet we hear of m didates being in the field. likely the old ones will he walk over the track. -Yesterday we were pumpkin growing in Mr. garden, which measures for inches in circumference. -Mrs. Barney, an Ame under the auspices of th U., lectured on Friday ex- to a crowded house in the Church, 'Rev. S. F. Te chair. Her subject was Te which she handled in a masly manner. At the c lection was taken which to \$10.00. -The attention of the of great roads is drawn that a certain piece of ro poposite the residence of Chappell is very much baving a little governm expended on it. The fi the werst piece of roo along the road, in ord several deop ruts, to use phrase, have to tack ship
