This a. m. representative Wm. Murray,

It will be seen that tenders this fine building was well filled, the installation of the officers elect into balcony above was occupied by Bands of their various offices. After the M. W. will be received until the 30th Hope and Cadets of Temperance. Mr. August. 1884, and that the plan, Burrill made a short address, the meeting August, 1884, and that the plan,

Burrill made a short address, the meeting being escorted to his official station, he was opened with prayer, and an original was met midway by a representative, who in the name of the National Division press may be the office of the Station. seen at the office of the Station ode of welcome was then sung by the by W. P., in an eloquent and impressive address. The address of the Grand Division of Nova Scetia was delivered by Rev. R. Alden Temple, and is well worthy of perusal. He said he welcomed them on behalf of 20,000 brothers and sisters, members of the order, and was very glad they had come when the several divisions were in such an efficient condition. The prospects of the temperance people in this jurisdiction were never better than at present. The Scott act, the liquor license act of 1883, and the recent decisions of certain judges, were making of certain judges, were making of certain judges, were making of carred during the installation. It will be seen that among the officers elect a lady member was chosen to the office of M. W. Conductor, and as the lady was had not not present to be result in the place and stated that a lady of Halifax, having heard of this lady's election, had commissioned him to present to her as boquet of handsome exotics from her thanks for being elected to office, and alopted, the roll called, the closing ode sung, a few works of prayer by the M. W. Conductor, and as the lady was had been in the railway engineering when I decided to take a partner to share with me the joys and sorrows of life. We hen I decided to take a partner to share with me the joys and sorrows of life. We hen I decided to take a partner to share with me the joys and sorrows of life. We not like a lady member was chosen to the office of M. W. Conductor, and as the lady was allow as fall not soon forget the warm reception given us on the morning of our arrival here. Dollard, the first lishop of New Bruns-morning gave ber such a cordial welcome that she at once felt at home, and was made to real ferical vestments are that time officiating as parish priest of Chatham driving the choint at the called. The very rev. gentleman was or divided. The very rev. gentleman was rendered by the who I decided to take a partner to share with when I decided to take a partner to share with when I decided to take a partner to share w for tenders for grading a Branch address. The address of the Grand Divi-Line eastward from Metapedia sion of Nova Scotia was delivered by Station, a distance of about twenty | Rev. R. Alden Temple, and is well worthy miles, tenders to be received up to of perusal. He said he welcomed them the same date, and plan, etc., to be on behalf of 20,000 brothers and sisters, seen at the railway station, Meta- members of the order, and was very glad they had come when the several divisions ions of certain judges, were making emperance a living question in this ountry. as proved by the reference we made last week to the increased shipments from St. John for the first six months of 1884 as compared with the corresponding period in 1883. A diminished supply would be telt for a time by those to whom the business furnishes labor, but would eventually result in a beneficial improvement which would more than compensate tor the lack of labor during the period of curtailment.
