expressive, and will neither break nor smoke the ordinary chimney. The wick movement is very durable, and cannot get out of order, yet so simple that anybody can wick a lamp in 20 seconds. Wicks last from six to eight months The lamps are made of brass, cannot break, and will last a life time. What you save in chimneys in one year alone is a large item. These lamps are cheaper at their price than ordinary lamps are as a gift, and a great many have been substituted for the gas, to the entire satisfaction of the parties concerned.
