At a recent meeting of the Warwickshire Society of Natural History and Archwology, Professor Buckland stated that he had discovered at Goy's Cliff the semains of an extinct species of annual, which had never before been found or mentioned by geologiste. The Professor said—which had commenced his studies by collecting fragments of Carisbrock Castle, Corfe Castle, and Warwick Castle, and little did he then dream that he should ever have an opportunity of saying that the stones of Carisbrock Castle contained a species of fresh-water fish, long extinct; or that, in the distant progress of time, he should have to assert that the Castle, the Collegiate Church, and the town of Warwick, were built upon a straum utterly unknown to English geologists. and the town of warward, were and applied a stratum utterly unknown to English geologists.

At Eston, on the 21st ultimo, Deacon Edmund Alger, aged 74.

At Eston, on the 21st ultimo, Deacon Edmund Alger, aged 74. from Gay's Chin, which is had a stored among his masses of ignorance, and stored amidst difficulties, in the hope that some ray of light might dissipate the darkness which enshrouded them, and enable him to acquire some accurate information respecting them. Within accurate information respecting them. Within the last two hours that darkness had been dishastij acquired, nat was rounded on seriet log-cal deductions. It was, indeed, frue that under the foundations of houses at Leamington (where there had been previously one immense lake) there were to be found the remains of elephants, hippopotamusses, hyænas, tigers, buffalus, and a string of twenty other animals which he could

### Commercial.

We are without our regular advices by the George Washington arrived at New York from Liverpool, bringing dates to the 26th November. From the few papers to which we have obtained access, we have gleaned the following information respecting markets. Tomorrow we shall give ample details. The pressure in the money market continued to be severely felt throughout nial produce, generally, were dull and declining, Grain was again lower. At Liverpool the price of Wheat had continued to droop until the 25th, when it rallied about 3d. 4 70 lbs-it was, however, fully is. # 70 lbs. lower than the highest point to which it had attained previous to the e-action : best Irish is quoted as worth there 8s. 6d. # 70 lbs. The Glasgow Corn Market was also extremely languid, and prices receding.

From the Quebec Mercury of Thursday. The East India Company's Tea Sale went off this morning as follows:—Souchong, 3s. 044.

3s. 04d.; Hyson Skins, 2s. 14d. 2s. 14d.; Boxes Young Hyson, 2s. 104d. 2s. 104d.; Boxes Hyson, 3s. 44d.; Boxes Gunpoweer, 4s.

After the tea sale seven puncheons Jamaica one puncheon of Whiskey, 2 @ 5, for 2s. 91d. No.

Leeward Rum, 1 @ 5, withdrawn at 3s. 5d.

Ten boxes Maple Sugar, withdrawn at 5d.
