The receipts of the Montreal Carnival
Committee are not as large as was anticipated. They are \$10,124 against an expenditure of \$10,141.25, showing a deficit of \$17.00.
This, however, is accounted as nothing when weighed against the vast benefit conferred on the city at large.

Lorenal Large Terms are so plenty this week in a company to the city at large.

The city at large.

JOURNALISTIC TERMS are so plenty this week that we are loth to intrude so many of them on the public. And yet it would not do to refrain from mentioning that Mr. Stophen G. Lawson was seen on the river lately on a pair of skates floating around as airily and graceful as a fairy. It was beautiful to see him cut a sacred edifice on the ice with his left foot.

We have received the first copy of the Eering News, which came out on Thursday evening. It has a bright appearance, and though considerably smaller than the Potriot, it may grow. It is published by a company, it may grow. It is published by a company, it may grow. It is published by a company, it may grow. It is published by a company, it may grow. It is published by a company, it is may grow. It is published by a company, it may be a company, it is may grow. It is published by a company, it is may grow. It is published by a company, it is may grow. It is published by a company, it is may grow. It is published by a company, it is may grow. It is published by a company, it is may grow. It is published by a company, it is may grow. It is published by a company.

it may grow. It is published by a company of which, we understand, Mr. Donald C. Martin, M. P. P., Mr. A. B. Warburton, and Hon. D. Davies are the originators and principal stockholders.
