Alpaca for Dresses Wears Well.

ALPACA is an ideal summer fabric—because the rich, smooth, lustrous surface, gives the wearer a refined, aristocratic appearance, and the nature of the surface does not allow the dust of the street to adhere, therefore garments made of it, always look bright, clean and new.

The Peruvian animal which produces the wool for this fabric, is noted for its lustrous, silky wool, and the long fiber of the wool ensures satisfactory wearing qualities. The alpaca cloth will retain its silky appearance, because it is natural to the wool, and not artificially produced, as you will find in so with some fabrics.

Children's Coats, Dresses, Women's Costumes, Skirts and Blouses made of Alpaca look handsome, and for street wear, one of the most serviceable fabrics you can buy.

We can give you this reliable and good wearing, stylish, Alpaca Cloth in the following prices and colorings:—

BROWN, all prices from 50c. to \$1.00 a yard
CREAM, all prices from 50c. to 90c. a yard
NAVY BLUE, all prices from 40c. to \$1.10 a yard
DARK GREEN, prices 45, 65, 90c. a yard
BLACK, all prices 30c. to \$1.10 a yard

Figure on six yards for a Skirt and Blouse, and call and examine the goods to-day—or write for samples.

If you want to save money it will pay any woman to examine our extensive range of Dress materials.

Farrow's 'A1' Mustard.

Costs No More than Others but is vastly Superior
Manufactured by the growers (who are experts in its cultivation) from perfectly matured seed it does not ferment.

It presents a bright color, appetising flavor and a pungency that cannot be approached by imitations however skillfully faked.

Try FARROWS 'A1' next time—you will know then which is best.

J. FARROW & Co., Peterborough, England.
