KEEP YOUR FEET DRY Use DRI-FOOT.

For All Shoes

DRI-FOOT

Waterproofing

You do not need to wear heavy, uncomfortable rubbers if you treat your shoes with it. Dri-Foot is a liquid composition that waterproofs your shoes and gives them longer wear. It is invisible—does not prevent polishing, costs but a fraction as much as rubbers and one application lasts all season.

Children's shoes as well as yours should be treated with Dri-Foot.
