## It Pays to Paint

Paint protects the wood from the effects of sun, rain, wind and snow. It costs less to paint your house frequently than to make repairs. Paint saves the big loss of depreciation. All this, with the satisfaction of having your house bright and attractive. Any painter will tell you it pays to use the best paint. We sell it.

It is the best Corset we sell. You may be stout or extremely slender, but we can fit you with a Warner's—fit you comfortably, too, with a Corset that we guarantee not to

## Your Success is Our Success

It's the easiest thing in the world to promise something—"talk cheap"—but the real bedrock test of words lies in the character of the deeds that back them up.

If our advice is SOUND—our judgment of securities GOOD—our honesty of purpose CLEAR—our customers make money, and OUR BUSINESS PROSPERS. Whenever we make an offering we are satisfied to put the FACTS up to you, and it's your affair to accept or reject.

We can tell you NOW about a real GOOD proposition. Will you act for the details?
