That's One Reason Why Mr. Shaughnessy Surrounds Himself With a Pennant Every Season. He Won't Let the Fans Quit.

LOCAL RUGBYISTS WILL PLAY A GAME WITH ST. THOMAS C.I.

Some Enthusiasm Being Shown Over Local Situation—Waiting for University to Make Known Plans Is Delaying Matters at the Present Time.

Since it has been announced that at the O. R. F. U. meeting on Saturday, London was entered in the junior O. R. F. U. series and grouped with Sarnia and Petrolia again, local rugby players are beginning to stir up some enthusiasm and it is not unlikely that a practice will be called within a few days. The present trouble with the local situation lies in the fact that nothing has been heard from the Western University Athletic Association as to its intentions in regard to rugby this season. In some quarters it is stated that the University intends to enter a team separate from the London team. If this is true it is doubtful if enough material can be secured for two strong teams, and the London team would have to drop out. The University is being depended upon to supply two or

three good players this fall, and if the clubs amalgamated, one strong aggregation could be put in the field. Just what plans the University has will not be definitely known until Dr. Harry Stephens returns from Port Arthur, which will be in a few days, it is expected.

LOUIE HAL, AWARDED DECISION BY JUDGES

Had Copped Two Heats in the 2:50 Pace.

WASHINGTON, Sept. 15.—Louie Hal, a tony bay gelding, owned by H. Curry, of Stratford, was awarded first money in this event, after five heats had been run off. Under the rules of the American Trotting Association, if after five heats have been run off, no horse has won three heats, the horse making the best showing in the five heats is awarded first money. Louie Hal captured the second and third heats after finishing third in the first one. Patchen Wilkes II, Hodgins' bay gelding, who did some fine heats in Monday's 2:22 pace, topped the first heat, but failed to do very much in the remaining five. Progress Bars, a tidy son bay gelding, owned by H. Curry, of Stratford, came strong in the last two heats, and won in bang-up finishes. The finish of the fourth heat being the prettiest of the afternoon. Had there been another heat to go it is more than likely Progress Bars would have won out.

FRANK R. WON THE TROT

Woodpoints Took Second Money—Bigger Crowd Out Than on Monday.

The 2:30 pace event provided the best racing on the fair grounds track yesterday afternoon before a much larger crowd than that which witnessed Monday's card. Louie Hal, the bay mare, owned by H. Curry, of Stratford, was awarded first money in this event, after five heats had been run off. Under the rules of the American Trotting Association, if after five heats have been run off, no horse has won three heats, the horse making the best showing in the five heats is awarded first money. The Man Who May Step Into The Job Frank Chance Quit

JACK DUNN, manager of the Baltimore International League team, who is mentioned as the successor of Frank Chance in managing the New York Yankees. Dunn will not take charge until next season. Dunn gained some publicity this season for disposing of all his stars in the International League to big league clubs, and finishing the season with a bunch of recruits, his team dropping from first to fourth place.

BAD SPILL IN 2:04 PACE

Sulky Wheel Struck Fence and Driver Sweeney Was Seriously Injured.

[Special to The Advertiser.]

DETROIT, Mich., Sept. 15.—Margaret Drien, the star stake trotter of the Walter Cox stable, added another to her long list of victories here today when she won the Dickinson stake for 2:19 trotters in straight heats.

There was an ugly looking spill in the fourth heat of the 2:04 pace, Billy M. was in the lead at the seven-eighths, when his sulky struck the fence, crushing the wheel. The driver, Sweeney, was thrown to the track and seriously injured, it being necessary to carry him from the track.
