COCKSHUTTS ELEVEN NOT

GUILTY OF PRO CHARGES

PCANTFORD, Aug. 81. — Cockshutt's senior football team, against which charges of professionalism had been proffered, was tonight found not guilty. At a league meeting it was alleged that players had been employed to play football and other men haid off, and that players had been given time off to practice. There was no proof of unsportsmanlike procedure on the part of Cockshutts, and the matter was dropped.

ROSE SCOTT LOSES IN 3-YEAR-OLD EVENT

Favonian, After First Heat, in Control-Periscope Repeats.

READVILLE, Wass., Aug. 31.—Rose Scott, the champion 2-year-old futurity winner of last year, went down to defeat at the grand circuit races today, when the Tennessee colt Favonian, owned and driven by Fred Edman, took the measure of Tom Murphy's filly in the American Horse Breeder Futurity for 3-year-old trotters.

Rose Scott won the first heat easily, apparently because Favonian did not get a good start and Edman had difficulty in getting a position for the final brush. After that Favonian was master of the situation, always having enough speed is reserve to stall off his most dangerous rivals.

Indications tonight were that the elimination trials tomorrow and Friday to select a team of three craft to represent the United States in the Harmsworth trophy race would be canceled as unnecessary. Late tonight only three boats, Miss America II, Were ready for the elimination trials, and indications were that these three would represent the United States against Sir Mackay-Edgar's challenger, Maple Leaf VII., in the first 40 nautical mile heat for the Harmsworth trophy, September 8. Maple Leaf VII. made, a trial spin downstream today, and while no time was taken, her speed was terrific, and brought expressions of surprise from the power-boat officials. Neither Gar-Wood, defender, nor Col. Arthur Tate, who will pilot the challenger, would venture any prediction on the outcome of the race, Both agreed it will be "a real race." PHILADELPHIA, Pa., Aug. 31.—Billy DeFoe, St. Paul lightweight, defeated Gene Delmont, Memphis, in the first of four eight-round bouts tonight at the Philadalphia National League baseball Park. DeFoe had the better of the fight all the way, and in the last round gave Delmont a severe beating.

Both Evans and Oulmet are slated for the national amateur tourney, which opens at St. Louis September 17, and continues to the 24th. It is the most important golf event of the year. Some youngsters, like Bobby Jones, are expected to prove the surprise of the play.

London at the present time is not playing its strongest team, with Calbert and Crichlow out, and the other teams are stronger, especially Hamilton. What would they be able to do with their other players back?

Outside of Baltimore, London can hold its own in the International, and if there is one thing I would like to see is Toronto and London play, and my money is on London.

But McCaffery is too afraid. He knows right well he couldn't beat London.

There are a lot of fans here who wouldn't give London credit, and can't see past their own team.

It's the way the game goes. On some days there isn't much difference between amateurs and majors.

The London team would get a loud razz from the Kitchener fans, or least that was hoped for by the Kitchener owners.

They were egged on to it by a critic in the Daily Telegraph of Kitchener, thusly:

The London Tecumsehs will play here on Wednesday, Thursday and Friday. This will give the fans a chance to let the champions know what Kitchener thinks of the "forfeit" artists.

Kitchener fans probably don't follow the critic as blindly, as he follows H.

Rollon.

The next game will be staged Tuesday night, and if a third game is necessary it will be played on Saturday, September 10.

Every effort is being made to clear the decks for the City League championship series, the honors of which Manufacturers' League are confident of winning.

W. Legg will handle all the games, at the light is questionable.
