Winnipeg, March 22. — The wheat market continued very dull and featureless today. There was a little easier tendency in evidence during the first part of the session, but the undertone was strong, and prices gradually worked back to the dollar mark for May. A little unwinding of spreads was the only noticeable business going on, selling Winnipeg May again purchases of Chicago May at 50 difference. Seaboard advices reported a decidedly poor demand from European buyers, and that no overnight acceptances had been made. Closing prices were 1/4 continued with choice at \$4.50 to \$5.50.

Bulls slow. Good feeding sters are in demand at \$6 to \$6.75.

Hogs are steady at \$8 to \$8.20, and \$8.40 for off kinds.
