### Grand Jury's Presentment.

Necessity of Fire Protection at Schools—Reformatory Improvements.

The assize court met at ten yesterday morning, and the grand jury made their presentment to Mr. Justice Martin. The presentment follows:

Victoria, April 15, 1899.

power.

Our reason for making this presentment is that we conceive it to be strictly in the line of our duty, and in the hope that greater attention may be given to this by those in authority than has been accorded to the excellent presentment of the last

the excellent presentment of the last

grand jury. FIRE PROTECTION.

after she had been practically declared a total wreck by insurance men as well and property, that it would seem to be a matter of public advantage that all in-stitutions, such as hospitals, asylums, schools, hotels and such other buildings as may be used by numbers of persons,

found the entrance to and from the boys' department, both on the first and second doors, satisfactory. Also the girls' de-partment on the first floor, but the means

number of whom reside in the upper story of the administrative building, and to the inmates of the wards of the hospital, we would strongly recommend that all the wooden shingle roofs be covered with metalshingles; also that two stationary iron iadders be supplied to allow the inmates of the story of the main building to more eadily escape in case of fire. Also that the doors separating the various one-storied buildings be sheathed with iron, and in

addition to the same that the transomes in the corridors be covered in a similar manner, thereby preventing fire from spreading rapidly from one section of the bossital to another and so efforting more ospital to another, and so affording more curity to patients. "Apart from these suggestions, we find the fire protection very satisfactory.

(Signed) "HENRY CROFT, "C. E. DICKINSON. Our attention having been drawn to more han one case where a summons would har one case where a summons would have answered every purpose, we submit that more discretion should be exercised by magistrates and justices of the peace issuing warrants for the arrest of r

able persons. When the committee visited the provincial

when the committee visited the provincial gal they were courteously received by Mr. John, the warden, and every facility afforded them for inspection.

This institution was found to be scrupulated they and in excellent order.

ously clean and in excellent order.

The same committee, accompanied by Mr. John, visited the "reformatory," which forms part of the gaol building; but found

Mr. Flinton's Aldon Swagger was pronounced the handsomest fox terrier in the show, which is almost equivalent to giving him on the same lines as a gaol, but with less the championship of the Pacific Coast. The reformatory is one only in name, be liberty to its inmates. The grand jury of November last pointed this out very clearly, and we find no change has been made for the better during the interim. These boys should not be treated as criminals, but should be cared for in a separate Dog or bitch having largest humber of prize winnings at any previous show—Silbould have larger quarters, and should not be confined in cells. There should be at least one person always in charge. There ver cup; won by Aldon Radiance, not tell the confined in cells. There should be a rier, owned by Rev. J. W. The past few weeks have been exceed-(f.) The necessity of all persons using approved Eastern pipes where sewerage is allowed to enter. northern passenger trade. First it was was deemed better that the greater causes of danger should be taken up and comment. Victoria, April 15, 1899.

To the Honorable Archer Martin, Presiding Justice.

Your Lordship,—The grand jury desire to congratulate Your Lordship on this the first occasion of your presiding at an assize in the city of Victoria. They express satisfiction at the light calendar presented for their consideration.

Presentments upon public matters usually addressed to the presiding justice often produce but little good; consequently it is with great diffidence that this grand juries as being merely of a perfunctory nature, and if the suggestions and recommendations of grand juries are not to the presiding justice often and subsequent action by those in power.

Our reason for making this presentment is that we conceive it to be strictly in the city of Neattle that is in for a bill of repair costs. Her accident, unlike the others, was in no way attributable, however, to the rocks or currents of the others, was in no way attributable, however, nature, and if the suggestions and recommendations of grand juries are in accorded prompt attention, then the time of those who are engaged in importance may be attached to the presiding justice often and recommendations of grand juries are into accorded prompt attention, then the time of those who are engaged in importance may be attached to the presentments of grand juries in a theoretical sense, it is a regrettable fact that there is a tendency to regard the duties of grand juries are into accorded prompt attention, then the time of those who are engaged in importance may be attached to the presentment at there is a tendency to regard the duties of grand juries are into accorded prompt attention, then the time of those who are engaged in importance may be attached to the presentment of grand juries as tendency to regard the duties of the northern diet to the presiding juries as tendency to regard the duties of the northern diet to the presiding at an assistic to the presiding at an

ally expressed along the waterfront, the steamer being four days overdue yester-day, when the Amur arrived with an explanation. She had been on her up-ward passage and about 90 miles this ward passage and about 90 miles this side of Skagway, at 3 a.m. on the 9th instant, when the City of Seattle was sighted moving her head and drifting just north of Douglas Island. The Seattle signalled for the Amur to stand by until daylight, and Capt. LeBlanc of the Capt. ing Turns Up at Dawson.

The latest issue of the Yukon Sun contains the following:

Weighty victors and contains the following:

Until dayinght, and Capt. Leeblanc of the Canadian steamer replying in acquiescence and came to anchor. Between four and five o'clock the glass commenced to fall very rapidly, with every sign of
