St. Michael's College Nine Defeats the Dukes by 11 Runs to 8

St. Michael's College boys won another victory yesterday. This time they defeated the Dukes. Before the game the general opinion was that the Dukes would have an easy victory. They had a strong team, including Catcher Malone of Cobourg and Port Hope and Jeff Blakey, the Buffalo man.

The first innings changed matters, the college boys hitting home freely, while the Dukes were unable to touch McDermott's twister. Taking the lead from the first, St. M. C. held it to the end. The following is the score:

St. Michael's College ... 40001132-11
Dukes ... 02000013-8

Struck out, by McDermott 12, by Benson 6, 2-base hits, Reath, Brady, base on balls, by McDermott 2, by Benson 1. (In a letter to The World a spectator explains why the Dukes left the field after the 8th inning. The umpire was most partial, he declared and correctly showed where that official was deficient in his knowledge of the rules, all of which worked against the Dukes and in favor of S.M.C.)

Spalding's Pennants Galore

The Canadian baseball season is now about over as far as championship contests are concerned, and many clubs have come out on top have already hung their Spalding pennants to the breeze. There was a great time in Guelph last Saturday, when the big flag was hoisted by Mayor Smith, and this week the banner will go up in Cobourg. The League selected the smaller trophies, and this week the Wellington, Argylls and Ontario will unfold their pennants. Several Leagues throughout the Dominion have declared their champions, but not having officially notified Spalding Bros. the pennants are withheld. The conditions are:

Four clubs in each League, each club to play not less than 12 games. Champion clubs that have fulfilled these conditions will be forwarded a pennant on writing Spalding's agency, care this office.

Baseball Brivities

Pitcher Hawley, whom Boston tried last Saturday, is a young man from Oberlin College, who accompanies the team at his own expense. Barring his wildness he put up a pretty fair game. The last games in the Toronto Baseball League on old U.C.C. grounds next Saturday promise to be two of the best of the season, as each of the clubs have been strengthened lately, and each are anxious for victory. The Stars and Maroons play at 2 p.m., and the Wilbros and Maple Leafs at 4 p.m.

Catcher Donohue of the Kansas City Western League team has broken his leg, catching record, hit into by Zimmer. Up to Aug. 26 he had caught 130 consecutive games, and never missed an inning of one of the games. He promises to finish his career with a record, but something no other catcher has done since the days of overhand catching.

Another Record Set

Baltimore, Sept. 26.—W. F. Sims of Washington established a new record for class A at one mile over a quarter mile track, being paced around the circuit four times in 2:12.

The Rt. Rev. A. C. A. Hall, D.D., Bishop of Vermont

Will preach at St. Thomas' Church, Huron street, near River, on Sunday next at morning and evening service, and will address a meeting on the 29th at 4 o'clock.

THEY TROTTED FOR \$15,000.

And Directum Beat Arion in Straight Heat, With Nelson Third-Best Time 2:10.

Boston, Sept. 26.—The stallion race, for which New England Trotting Horse Breeders' Association offered a purse of \$15,000, and which brought together Directum, Arion and Nelson, was trotted this afternoon in Mystic Park in the presence of fully 20,000 people.

Directum won in three straight heats. Directum was first to be shown on the track, and for fully half an hour before the race he was jogged up and down the stretch. He was a big favorite in the pools, selling at \$100 to \$200 for the field. Orin Hickok sat behind Directum, while Bud Nelson, as usual, piloted his own horse. Arion, who was looked after by Budd Dohle, did not show himself until within a few minutes of the starting time. The horse was suffering from congestion of the lungs. In drawing for positions in the first heat Directum won the pole, with Arion second and Nelson third, the outside.

At the first scoring the horses came trailing to the wire and were sent back. The second time they settled down to business at once, and were given the word with hundreds of whistles pulled on them. Nelson led the quartet, followed by Directum, with Arion neck and neck, Nelson half a length behind, and the Duke half a length behind. Nelson was a few minutes of the starting time. The horse was suffering from congestion of the lungs. In drawing for positions in the first heat Directum won the pole, with Arion second and Nelson third, the outside.

A weight contest of five events, put in by P. C. Richard Dodds. Now, as far as Dodds is concerned, I think it is only fair, for the purpose of testing his name in print. I issue a challenge to any amateur in the Dominion of Canada, Dodds included, in a series of events, for the all round championship, namely: putting 16 lb. shot, throwing 16 lb. hammer, 5 lb. weight for length and for height, tossing the caber, running 220 yards and running high jump. I also wish the sporting public to understand that this is business, not talk. The competition will be for any amount in value the person accepting may think worth competing for.

Some Cycling Don'ts.

Don't peg things at us for giving this advice. The Cycle.

Don't go for very long rides at first. Take them in small doses, like cod liver oil.

Don't have your machine squealing like a lot of pigs under a gate. Oil is cheap to-day.

Don't scorch unless you are in a hurry, or have a bad attack of the "blues" to work off. Under no circumstances should you go on a long ride without a good meal.

Don't try to learn balancing in your hall or back parlor. A lonely bit of road with soft ditch banks is much better, and you are not likely to damage anything except yourself.

Don't double yourself up as if you were suffering from a bad cramp. On the other hand, don't sit as if you had swallowed an extra pound of lead. Let your mind be a happy man.

Don't think it is the hardest thing in the world to keep up a steady pace. You may have speed powers, but it is just as likely you have not. Anyway, you will soon find out if you are on the path or road.

Don't ride in trousers if you can help it. You look twice as fat as if you were in your cycling kit.

Don't let your calves be a little scraggy. Can't you get some straw? All this talk in the neighborhood will break their hearts about you.

ON THE FOOTBALL FIELD.

Toronto Rugby Club Men Will Meet This Afternoon for a Final Effort.

As stated here on Tuesday a final effort is to be made to place a Toronto club team in the field, to avoid defeat in the first round of the championship.

A meeting in the afternoon at the direction will be held at Mr. Massey's office, 76 Church street, at 5 p.m. to-day.

President J. H. G. G. will be in charge, and it will not be his fault if the Toronto club does not face the Tigers at Hamilton. A meeting in the afternoon at the direction will be held at Mr. Massey's office, 76 Church street, at 5 p.m. to-day.
