FARMERS

Just a Few Words

About Repairs for Farm Implements.

Prices have always been reasonable with us for such work, notwithstanding occasional remarks to the contrary. Such remarks very seldom originated with our customers, many of whom have dealt continually with us for the past 15 years. We have tried to merit the patronage of the public in general and customers in particular. The fact is we have never charged enough to make it profitable, so that we found no cause to be envious of other workmen who get a share of the trade.

We take this opportunity of reminding all that we repair all kinds of farm machinery at reasonable charges and in a workmanlike manner.

PATRONAGE SOLICITED.

When we are on the repair subject it will not be amiss to say that we are employed by the manager of the Deering Co. that they have a stock of repairs in their London warehouse sufficient for 10 years and that a man could carry in his hat all the repairs called for last year, and the repair list is away down.

A number of second-hand Binders and Mowers for sale, of our own make, refitted and good for 6 to 10 years wear.

Dominion Day in Petrolia.

The committee having in charge the firemen's and band tournaments on July 1 and 2 report the two-days' programme will be a great success, judging from the number of firemen, and bands who have signified their intention of being present. The prizes are large, and of course, will be a drawing card—\$100 for first prize, hose-reel race, with \$50 second money; \$100 for band contest, first prize \$75, \$25 for second, besides other prizes equally as large. The list of events on the circular issued last week includes: Hose-reel races, hook and ladder races, fancy drill, firemen's race, bandmen's race, band competition, tug-of-war; fireworks on the evening of July 1, costing \$75; balloon ascension, and a game of baseball between Petrolia and a good nine, probably from London or St. Thomas. Everything points to two good days' sport. Petrolia people will also be pleased to give a display of their waterworks system.

EAST BUFFALO.

East Buffalo, N. Y., June 15.—Cattle—Receipts all consigned through with the exception of a couple of small bunches, but there were five or six loads holding over from yesterday's trade that were principally coarse, rough, ill-bred Eastern Canada feeding cattle, for which there was next to no demand whatever, but were sold to-day at \$3.25 to \$3.50, a few picked steers at \$3.65, with light heifers at \$3, and common yearling bulls at \$2.25 to \$2.35. Hogs—Offerings light; only four cars of left-over stock, and but three loads of fresh arrivals; market about steady; Yorkers, \$3.65 to \$3.70; mixed packers' grades, \$3.65; medium weights, \$3.60 to \$3.65; heavy hogs, \$3.35 to \$3.50; roughs, \$3.15 to \$3.25. Sheep and lambs—Receipts, five cars, and these were all hold-overs; there was practically nothing doing; native lambs, choice to prime, \$4.24 to \$4.80; good to choice, \$4.25 to \$4.40; common to good do, \$3.25 to \$4.25; culls to common lambs, \$2.50 to \$3.25; fair to choice mixed sheep, \$3.75 \$4; culls and common sheep, \$2.25 to \$3.25; export sheep, \$4 to \$4.25.

TERMS—Cash or Trade. **J. F. AITKEN'S**
Up-to-Date Grocery, Watford

TORONTO.

Toronto, June 15.—The Toronto cattle market was a little firmer to-day, because of lighter receipts, that enabled all the held-over cattle to be sold out, so that very few were left at the close. To-day prices of cattle did not advance, but hogs were firmer. There was better buying of stuff for Buffalo. Cables from the Old Country are a little firmer. About 12 cars of butchers' cattle were bought for Montreal. The receipts were 45 cars, including what came in yesterday; 256 sheep and lambs, 1,800 hogs, 50 calves and 24 milch cows and springers. The total receipts for last week at the two yards were: Cattle, 2,620; sheep and lambs, 670; hogs, 3,710; weight fees, \$112.43.

Export cattle—The feeling was a little better, and as a result of the lighter offerings they were easier to sell. A lot of 43 head, of 1,200 lbs. average, choice, sold at \$4.40 per cwt.; five cattle, 1,350 lbs., at \$4; a car, 1,200 lbs., 4½c; another car, 1,200 lbs., 4½c; a car, 1,300 lbs., at \$4.05 per cwt. The ruling prices were 3½c to 4½c per lb. There will be a fair demand, but drovers must be careful about getting too many in.

Butchers' cattle—The feeling was firm to-day, and the quality was better than it has been lately. None of the common cattle sold lower than 3c per lb., and the ruling figures for good to choice were from 3½c to 3¾c, extra choice selling at 4c. One carload, of 1,000 lbs. average, sold at \$3.30 per cwt. Good butchers' cattle are wanted.

Bulls—About a dozen export bulls were bought at 3½c to 4c per lb.; one extra choice sold at 4½c. Common and stock bulls are not in much demand, and sell slowly at 3c to 3½c.

Stockers—There was considerable buying for Buffalo at \$3 to \$3.10 per cwt., and 170 head were bought, at the latter price. Telegrams from Buffalo received to-night report that the market there had fallen a little, so that prices are likely to be easier next market day. The ruling prices there were 2½c to 3½c.

Feeders—Mr. Pickering, of Forest, was here looking for several loads of feeders to put on grass. He wanted some good cattle weighing from 1,150 to 1,200 lbs., for which he was willing to pay 3½c per lb., but did not get enough. The ruling prices are 3½c to 3¾c; some of the choicest half-fat cattle were held a little higher.

Sheep—Next Friday the Messrs. Dunn will begin to buy sheep for export to Britain. Prices ruled at 3½c for the best, and 2½c for bucks. Butchers' sheep were about the same price.

Yearling lambs—The offerings were light and the market was firm; all sold readily at 5c to 5½c per lb.

Spring lambs—The offerings were not so good to the demand, and more would have sold at \$3 to \$4.50 each, odd ones fetching \$5.

Calves—Choice veals are in demand, at \$5.50 to \$6.50 each. Poor and common calves are a drug on the market, selling at \$3 and \$3 each. Good medium calves bring \$4.

Milch cows and springers—The market was barely steady, and the general run of prices being from \$20 to \$35 each. All sold eventually, but some of the poorer cows were slow sales. Choice newly-calved cows will sell readily, but no other kind is wanted.

Hogs—The offerings were heavy, but the demand was active, and prices advanced 10c per cwt. Choice springers sold at \$5.65 per cwt., weighed off the cars; light hogs, 5½c per lb.; thick light, 5c to 5½c; heavy fat, 4½c sows firmer, at 3c to 4c, and stags and rough hogs, 2c to 2½c per lb. There is no demand for stores.

Lambton's Brave Boys.

The St. Clair Borderers, or Twenty-Seventh Battalion, has its headquarters at Sarnia, and is composed of seven Companies. The Theford and Forest Companies proceeded to Sarnia, where they joined the Point Edward and Tunnel Town Companies. The remainder of the corps was picked up en route to London. All told, there are 320 men, besides the officers. Col. Fisher, deputy post office inspector, of London, was commander of the Twenty-Seventh for many years, but owing to inability to continue the duties of the office, he resigned his commission six or seven years ago, and was succeeded by the present commander, Col. Chas. Ellis. The late Judge Davis, of London, was also colonel of the battalion for several years. Of the present staff, only one—Major McVicar—was in the staff when the battalion was examined in 1886, and he has held the position of Paymaster continuously during that time. No. 6 Company is without a captain, and all the Companies, except No. 1, are minus one lieutenant each. The Borderers' staff and officers are:—

Commanding—Col. Ellis.
Major Kenward, of Watford.
Adjutant—Capt. Kittermaster, Sarnia.
Paymaster—Major McVicar, Sarnia.
Quartermaster—Capt. Towers, Sarnia.
Surgeon—Dr. Gibson, Watford.
Assistant Surgeon—Dr. Hayes, Sarnia.
Sergt.-Major Paddell.
No. 1 Company, Petrolia—Capt. Dawson, Lieut. McMillan and McKenzie.
No. 2 Company, Forest—Capt. Bryant, Lieut. McMillan.
No. 3 Company, Theford—Capt. Neabitt, Lieut. Lindsay.
No. 4 Company, Wyoming—Capt. Fred. Gorman, Lieut. Cook.
No. 5 Company, Point Edward—Capt. O'Neil, Lieut. O'Neil.
No. 6 Company, Watford—Lieut. Swift and Towers.
No. 7 Company, Sarnia—Capt. McKenzie, Lieut. Colter.

The staff sergeants are:—Hospital Surgeon, Sergt. McDougall; Paymaster's Clerk, Sergt. Watson; Orderly Room Clerk, Sergt. Saunders; Bugle Major, Sergt. Dalziel; Quartermaster Sergeant, Sergt. Clark.

The band is under the leadership of Mr. Lindenburg.—Free Press.

Death of a Lambton Pioneer.

Wm. Lowrie, one of Plympton's pioneer farmers, died suddenly at his home, 11th con., Sunday afternoon, 6th inst. He attended church at Aberarder, and after church hurried home on account of rain. Almost immediately after reaching the house he was taken ill and died in a few minutes. Deceased was born in Berwickshire, Scotland, and came to this country with part of his family in 1850. During the past thirty years he had resided on the farm on which he died. He was married in 1879 to Miss Janet MacBean, who survives him. One brother, Joseph Lowrie, of Sarnia, also survives him, as well as a large number of nephews and nieces. The funeral took place on Tuesday from the family residence to the 12th line cemetery, and was attended by a large gathering of relatives and friends. The services were conducted by the Rev. R. Drinnan, of the Camslachie and Aberarder Presbyterian churches, assisted by the Rev. J. B. Duncan, formerly of Forest. The bearers were six nephews of the deceased. Mr. Lowrie was in every respect a most exemplary man, and was beloved as a friend, honored and esteemed as a citizen, and his very sudden death cast a gloom over the entire neighborhood.

Wm. Middleton, of Forest, is a hero. He ran down a runaway horse the other evening, climbed in the rear of the rig, jumped on the horse's back and brought the animal to a halt.

SHE COULD NOT EAT.

The Statement of a Lady Who Was a Dyspeptic.

Afflicted with Pains in the Stomach, Nausea and Vomiting—Constipation, Headaches and Other Distressing Symptoms Followed.

From Le Soleil, Sorel, Que.

Dyspepsia and kindred disorders of the digestive organs are becoming alarmingly prevalent among the people of all classes, and it is safe to say that there are few ill-afflicted mankind productive of more real misery than indigestion. It is said that happiness and a good digestion go hand in hand, and the statement contains more truth than has been generally admitted. It may be safely said therefore, that the medicine which will cure dyspepsia is a blessing to mankind, a promoter of human happiness, whose good work cannot be too widely known. Such is the opinion of Mrs. F. Lassier, of Sorel, Que., and it is because of this that she gave the following statement to a representative of Le Soleil. "For some time past," she said, "I had been suffering from a malady that at first I could not define, but which proved to be a severe attack of dyspepsia. After each meal I felt a sensation of over fullness, even when I had eaten most sparingly. This feeling was accompanied by severe pains in the region of the stomach, and frequently by nausea, and sometimes vomiting. Constipation followed, which added to my misery. In the interval I suffered from fever and headache, and became generally indisposed. At times the pain in the stomach was less severe, My appetite was leaving me, I had no taste for anything and at this stage my son, Alfred, assistant manager of 'Le Soleil' urged me to try Dr. Williams' Pink Pills at the same time urging me to read an article in that paper which related to the cure of a person similarly afflicted. I was skeptical and did not believe the pills would help me, but a few days later I re-read the article and decided that I would try this medicine and I have much reason to be glad that I did so. I took a couple of Dr. Williams' Pink Pills after each meal and little by little perceived that my digestion was becoming more easy. I continued the use of the pills for a little more than a month, and have pleasure in stating that my cure is complete. At my age (68 years) one greatly appreciates being able to enjoy one's meals, and I bless the day I began to use Dr. Williams' Pink Pills, and I heartily recommend them to other sufferers.

Dr. Williams' Pink Pills cure indigestion, rheumatism, neuralgia, locomotor ataxia, St. Vitus' dance, nervous headache and prostration, diseases of the blood, such as scrofula, chronic erysipelas, and restores pale and sallow complexions to the glow of health. They are a specific for all the troubles peculiar to the female sex, and in men cure all cases arising from worry, over-work, or excesses. Sold by all chemists and by Dr. Williams' Medicine Co., Brockville, Ont., at 50c. per box or six boxes for \$2.50. There are imitations pills colored pink against which the public are warned. The genuine pills are put up in boxes, the wrapper around which bears the full trade mark, 'Dr. Williams' Pink Pills for Pale People.' Take nothing else.
