Free to Stock and Poultry Raisers

We will send, absolutely free, for the asking, postpaid, one of our large thirty-two-page booklets on the common diseases of stock and poultry. Tells you how to feed all kinds of heavy and light horses, colts and mares, milch cows, calves and fattening steers, also how to keep and feed poultry so that they will lay just as well in winter as in summer. No farmer should be without it.

At a cost of only two-thirds of a cent a day per Animal, Royal Purple Stock Specific makes each Animal worth 25 per cent. more.

You never heard of any other Specific, or "Stock Food," doing likewise.

Royal Purple will permanently cure the Cuts, Colic, Worms, Skin Diseases and Debility, and restores run-down Animals to plumpness and vigor.

It will increase the milk-yield three to five pounds per cow a day inside of from two to three weeks. It makes the milk richer than ever before.

MR. ANDREW WEGRICH, of Wainflett, Ont., says: "This is to certify that I have tried your Royal Purple Stock Specific for two weeks, on one cow. On the 16th I weighed her milk as 17 pounds. I noticed a change after 5 or 6 days, as there was an extra weight of milk. On the 29th, I carefully weighed the milk, and she gave 23 pounds. I am giving an order for 5 boxes, as I consider it the best I have ever used."

"Stock Food" will not do this. Because "Stock Food" is nothing more or less than a mixture of the very things which you, yourself, grow on your own farm.

It is not more food your Animals need. They must have something to help their bodies get all the nourishment from the food they are getting. So that they will fatten, and stay fat, all the year 'round.

They need something to prevent disease, to cure disease, and to keep them in the best of health, all the time.

Not a Stock Food

Royal Purple is not a "Stock Food," nor a "medicine." It is a Conditioner.

It does not contain Grain, nor farm products. Nor does it contain "Dope," or any other injurious ingredient. Royal Purple does not merely temporarily blot or inspire the Animal. It fattens and strengthens it, permanently.

No other Specific known adds flesh so quickly as Royal Purple. It makes 6-week-old Calves as large as ordinary-fed Calves are at 10 weeks.

Royal Purple makes naturally-thin Animals fat

and heavy. And it builds up the health and restores the former plumpness and vigor of run-down stock, in little or no time.

The very best time to use this Conditioner is NOW. It digests the hard food properly and prevents the animals getting indigestion or losing flesh.

50 per cent. Cheaper

One 50-cent Package of Royal Purple will last one Animal 70 days. This figure a little over two-thirds of a cent per day.

Most "Stock Foods" in 50-cent Packages last but 50 days, and are given three times a day.

But Royal Purple Specific is given only once a day, and lasts 50 per cent. longer. (A \$1.50 Pall, containing four times the amount of the 50-cent Package, lasts 280 days.)

So, you see, it is only necessary to give Royal Purple Specific once each day.

Just think of making each Animal worth 25 per cent. over its cost! What will that mean to you, Mr. Stock Owner!

It makes the Hens lay Eggs in Winter as well as in the Summer.

MRS. WM. BURNHAM, Sanford, Ont., says: "Dear Sirs,—This is to certify that I have used two boxes of your Poultry Specific for my hens. They laid so well while feeding it to them, I wondered if you would mind sending me word how or where I could get some this winter. I bought it from your agent last winter. I had 32 hens, and some days I got two dozen eggs a day in February and March, while feeding them the Specific."

Royal Purple Poultry Specific prevents Fowls losing flesh at moulting time, and permanently cures every poultry disease. It makes their plumage bright and keeps them always in prime condition.

It makes your Poultry worth more than they could ever be without it.

Yet one 50-cent Package will last 25 Hens 70 days. Or a \$1.50 Pall will do 25 Hens 280 days. This is four times more material at only three times the cost.

Centralia, Ont., Feb. 7, '10.
The W. A. Jenkins Mfg. Co., London, Ont.:

Gentlemen,—We have been using Royal Purple Poultry and Stock Specific for the last three weeks, and must say that results are remarkable. Am feeding the Stock Specific to two milking cows, and they have increased 80 per cent. in their milk. The Poultry results are even more marked than this. We have about 60 hens, laying age. When we commenced feeding, we were getting five and six eggs a day, and in the last five days the same flock of hens laid 150 eggs, almost an average of 31 each day, and those five days have been the coldest this winter.

You can see results plainly in two of three days after the use of "Royal Purple," and the poultry have the same husky and appearance now as in the summer time. With cows and poultry, am using exactly the same feed and care as before starting to feed "Royal Purple."

When farmers and stockmen get acquainted with Royal Purple, it will have a greater demand than all other tonics and stock foods on the market combined.

Yours truly, ANDREW HICKS.

W. A. Jenkins Mfg. Co., London, Ont.:

Gentlemen,—Last Fall we had in our stables a young mare belonging to Miss Clouston, of Montreal. We could not feed her any bran on account of causing violent scouring, consequently causing her to become weak and thin. We commenced using your Royal Purple Stock Specific, and the results were wonderful. After using it three weeks, we found we could feed the animal bran or any other soft feed without scouring her, and she actually took on in this time twenty-five pounds of flesh, we working her at the same time through the hunt. I can heartily recommend your Stock Specific.

Trainer for the Hon. Adam Beck.

STOCK AND POULTRY SPECIFICS

Make This Test

Every ounce of Royal Purple Stock and Poultry Specific is guaranteed.

To prove that Royal Purple has no equal, we want you to make this test:

Feed Royal Purple to any one of your Animals for four weeks. And at the same time feed any other preparation to any other Animal in the same condition.

If Royal Purple does not prove to you, by actual results, that it is the best you ever used, we'll return your money.

And we'll ask no questions—make no excuses. You will be the judge—not us.

This is an honest test, isn't it? We ask you to make it because we know that Royal Purple is the best Conditioner on the market.

If you are not satisfied, after testing it, you don't lose anything, do you?

Never Off Feed

As a Hog fatterer, Royal Purple has no equal.

Dan McEwen, the horseman, says:

"I have used Royal Purple Stock Specific persistently in feeding 'The Eel,' 2,024, largest winner of any pacer on Grand Circuit in 1908 and 1909, and 'Henry Winters,' 2,104, brother of 'Allen Winters,' winner of \$36,000 in trotting stakes in 1908.

"These horses have never been off their feed since I started using Royal Purple Specific. I will always have it in my stables. Your Cough Powder works like magic."

For Poultry

Royal Purple Poultry Specific is our other Specific. It is for Poultry—not for stock.

In His Customary Tangle.

Mr. Makinbrakes was trying to explain to the pastor why he seldom went to the prayer meeting.

"It isn't because I don't believe in them," he said, "for I think they are highly useful for those that need them, but there are some people, you know, that are past praying for. Now, I don't suppose, Mr. Goodwin, that it really does you any good—that is, of course, you're past that—I mean that you've got beyond—or rather—in your position, you see, you have to set a

good example, which is about all you can—for all people have their weaknesses, but you can reach them somehow—I'm not referring to you, of course, for I presume that even you—what I mean is that there is a spark of good in everybody—and a little self examination on the part of even a clergyman will disclose a—tendency to—to—how much do you think I ought to give to the missionary cause this year, Mr. Goodwin?"—Chicago Tribune.

According to Schedule.

Eugene Higgins in the smoking room of the Kronprinzessin Cecilie condemned the too hurried tours of Europe that some Americans make.

"Europe to give its best," said Mr. Higgins, "must be taken slowly. Once in an Italian picture gallery I heard one broad shouldered woman ask another:

"Is this Florence or Venice?"
"What day's today?" the other asked in turn.
"Wednesday."
"Then it's Florence."—St. Louis Globe-Democrat.

Oh, That's It!

"Your husband is crazy to go up in an aeroplane, isn't he?"
"Yes, and I have promised him that he may do so a year from now."

"Do you think aeroplanes will be so much improved in a year's time?"
"I don't know anything about that, but his life insurance policy forbids his going up in a balloon or an aeroplane within a year."—Houston Post.

As Unto Others.

"The story told in the London Letter," writes a correspondent, "about the M. P. who wished to change by law 'mas' into 'tide' in 'Christmas' was even funnier, as I heard it, for his name was not Mr. but Sir Thomas Massey-Massey, which on the 'physician heal thyself' principle became 'Sir Thotide Tidedy-Tidedy!'"—London Times.

Change of Ideals.

"Funny, isn't it?"
"What is?"
"In the days of chivalry men were tickled to death if they got a lady's glove, and now they are all broken up if she gives them the mitten."—Baltimore American.
