DOCTOR SPION'S

SICK HEADACHE REMEDY.
FOR the permanent cure of this distressing complaint, never fails. When persevered in, it effectually renovates the system, and does away the causes of the SICK & NERVOUS HEADACHE. Thousands have tried it, and found precisely the relief which the article promises to bestow. Certain of the strongest kind, and from the most respectable persons, are in the possession of the proprietor, some of which have been published, testifying to the permanent cure, and others to the immediate relief given by this remedy. It affords relief to the afflicted in 15 or 20 minutes from the first dose. It taken when the symptoms of an attack are first felt, it prevents the further progress of the complaint, and can produce no danger at any time by an excessive dose; as in such a case it would only throw off the contents of the stomach, leaving it sweet and healthy with an excellent appetite. All afflicted with headache should not fail to procure the article and relieve themselves from so distressing a complaint.

Physicians in many instances given it to their patients, and in every instance, to our knowledge, with great satisfaction have found it a certain cure. Sick and Nervous Headache is a complaint with which physicians do not wish to have anything to do, and generally prescribe only for temporary relief; consequently Dr. Spion's Sick Headache Remedy is not in reality very unfortunate. Nevertheless, she adorned the lives of those who have had it, and after a year's fruitless resort to misceled restoratives, purchased, some months ago, a bottle of two of Oldfield's Balm, and she has now regained in rich profusion, gloss, and health. We are not puffing—none of the commodity has been sent us, and, indeed, we do not want any, for though we were obliged to wear a wig a year ago, we have now, through the virtue, hair enough, and of a passable quality, in our own.

DARING FRAUD.
The Balm of Columbia has been imitated by a notorious counterfeiter. Let it never be purchased OF COLUMBIA, my head is now covered with hair. I shall be happy to convince any one of the fact that will call and see at Delhi village. The above article I bought at Griswold, Case & Co.'s store, who had it from Comstock & Co.

DR. BARTHOLOMEW'S
PINK EXPECTORANT SYRUP.
THE cases of consumption are so numerous in all the northern latitudes, that some remedy as preventive should be kept by every family constantly on hand, to administer in the first appearance of so direful a disease. This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the case.

Sold wholesale and retail by Comstock & Co. Wholesale Druggists, 2 Fletcher street N. Y. and by Dr. McSTAY, Saint Andrews.

TO THE BALD HEADED.
This is to certify, that I have been bald about twenty years, and by the use of the genuine BALM OF COLUMBIA, my head is now covered with hair. I shall be happy to convince any one of the fact that will call and see at Delhi village. The above article I bought at Griswold, Case & Co.'s store, who had it from Comstock & Co.

JUDGE PATTERSON.
Read the following from Judge Patterson, for thirty years the first Judge of the County in which he lives.

Middleton, N. J., March 12, 1840.
Messrs. Comstock & Co.
Gentlemen—You are at liberty to make such use of the following certificate as you deem will best subserve the purposes for which it is intended.

[CERTIFICATE OF JUDGE PATTERSON.]

I hereby certify that my daughter has been afflicted with sick headache for the space of about 20 years—the attacks occurring once in about two weeks, frequently lasting 24 hours, during which time the prostrations have been so severe, as to render it difficult to derive her life. And after having tried almost all other remedies in vain, I have been induced as a last resort to try Spion's Headache Remedy as sold by you; and to the great disappointment and joy of herself and all her friends found very material relief from the first dose of the medicine. She has followed up the directions with the strictness and in every case when an attack was threatened has found immediate relief, and she is now permanently cured. The attacks are now very seldom, and disappear almost immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant,

J. H. PATTERSON.
Judge of the Court of C. P.
Said by Dr. McSTAY, Saint Andrews.

LOOK OUT!!
"CAUTION" is the Parent of Safety.

AN ATTACK of the "PILES" may be positive, symptoms are felt by the celebrated HAYS' LINIMENT. There are more than one hundred people in this city, and in the United States an immense number, who have suffered beyond endurance by this dreadful complaint, who keep themselves wholly free from attacks by applying this Liniment when they feel any symptoms of its approach: of this there is the most perfect proof.

None Genuine without the name of Comstock & Co., written on the wrapper.

SOLOMON HAYS,
Sold at No. 2 Fletcher street, N. Y. and by Dr. McSTAY, Saint Andrews.

HEWE'S,
NERVE AND BONE LINIMENT.

THIS article is offered to the public as a never failing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is inevitable, after one or two applications of the Liniment, and in chronic Rheumatism, the cases of cure are numerous. It is truly a remedy that reaches the nerve and bone with the most happy effect.

Sold wholesale and retail by Comstock & Co. Wholesale Druggists, 2 Fletcher street N. Y. and by Dr. McSTAY, Saint Andrews.

HAVE YOU A COUGH?—Do not neglect it!—Thousands have met a premature death for the want of a little attention to a common cold.

Have you a cough?—Rev. Dr. Bartholemew's Expectorant Syrup, a safe medical prescription containing no poisonous drugs, and used in an extensive practice for several years, will most positively afford relief, and save you from that awful disease pulmonary consumption, which usually sweeps into the grave, hundreds of the young, the old, the fair, the lovely and the gay.

Have you a cough?—Be persuaded to purchase a bottle of this Expectorant Syrup to-day!—Tomorrow may be too late.

Have you a cough? Bartholemew's Expectorant Syrup is the only remedy you should take to cure you.

For this plain reason:—That in no one of the thousand cases where it has been used, has it failed to relieve.

For sale at the drug store of Comstock & Co. 2 Fletcher st. near Pearl, and at nearly all respectable Drug Stores—and Dr. McSTAY, St. Andrews.

ASK, INQUIRE—ASK THOSE WHO KNOW.

THOSE ONLY WHO KNOW BY TRIAL and immediate observation, can form any idea of the effects of the perfect relief, of this almost charm like cure effected in cases of the PILES, RHEUMATISM, ALL SWELLINGS, and ALL EXTERNAL PAINS, no matter how severe, by the use of Hays' Liniment. Find one who has used it, and you will find what cannot be found.

For the relief of suffering humanity, beings who may be afflicted, I beg you to ask—ask of those who know—ask **MATTHEW J. MYERS**, Esq. Athens, N. Y.; ask **DR. DUFF GREEN**, late of Washington City, each of these gentlemen know of cases propitiated by all other remedies or physicians, unobtainable by any other means, that have been cured by the use of the genuine HAYS' LINIMENT. "Thousands of other persons know similar cases. We appeal to their sense of justice—their human feelings.

It is but a day you owe to your suffering fellow beings to tell the great remedy, be known. Speak of it to all your friends. This will save much pain where the newspapers are not read, or where readers are incredulous, because so many worthless articles are advertised for the same purpose. To buyers we say, if all who have used it do not say it is beyond all praise, then do not take it. The proprietor will not allow it to be sold for less than unless it cures, when all the directions are fully followed. Will any one suffering refuse to try it? If he does he ought to be pitied more for his obstinacy than his suffering.

Mr. Hays would never consent to offer this article, were he not compelled by his sense of moral propriety, to do so in his power for the victims of distress and misery. For this purpose he would sooner devote a fortune, than secure a dollar for any worthless article.

LOOK OUT!!—Some scoundrels have counterfeited this article, and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of **COMSTOCK & CO.**; that name must be always on its wrapper, or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy it, for it is impossible for any other to be true or genuine.

SOLOMON HAYS.

VALUABLE ROOT SEEDS.
The following list of valuable Root Seeds, is worthy the attention of every farmer:—
White Silicia or Sugar Beet,
Red Mangel Wurzel,
Yellow Globe Mangel Wurzel,
Red do do do do
White Altringham Carrot,
Long Orange do,
Ruta Baga (Purple Top)
English Turnip,
Yellow Aberdeen Turnip, &c. &c. &c.

Root culture enables the farmer to keep more stock, and keep it in better condition, than he could otherwise do. It gives the most food for animals with the least labour; it is, and is good management, the most certain in its results; it gives the most manure, improves the soil by deep and thorough cultivation, and fits it to dry or white crops.

The average produce of the different kind of roots per acre in good husbandry, such as will produce 40 bushels of corn, is 600 bushels of roots. With common cultivation the said roots will produce 30 bushels of corn per acre, root crops will yield 400 bushels; making 12 bushels of roots to one of corn, and corn is the largest yield of any grain crop.

The average cost of a root crop per acre is \$40. According to the above estimate, the average cost of a bushel of roots would be 6-2-3 cents.

It is advisable to plant, two or three kinds of roots every year, at some kinds may fail. The quantity of seed required per acre is, for
Sugar Beet, 3 or 4 pounds
Mangel Wurzel, 3 or 4 do
Carrot, 2 do
Ruta Baga, 1 do
