ERRATA.

Immediately after the completion of this work, the author was summoned from home to attend upon his Father, who was and still continues most dangerously ill. Under these circumstances, I could not call upon him for the Errata sheet, and as the publication has already been delayed beyond the time originally fixed for its appearance, I have concluded to detain it no longer, and to trust to the indulgence of the Public for this omission.

JOSEPH HOWE.

HALIFAX, 2d July, 1829.
